

HIGH PRIVATE IN MUD TWIN HOTEL HANDICAP

Top Weight Takes the Charleston
Feature—Two Days
at Juarez.

CHARLESTON, S.C., Feb. 10.—Despite the raw damp weather, a large crowd gathered for the first day of the twin hotel handicap at Palmetto Park today. The track was muddy and only muddy races were run, but the races were fairly respectable and the spectators were not as numerous as expected.

High Private won the Charleston Handicap, a dash of a mile for all ages, by a margin of one and one-half lengths, carrying 123 pounds on his back. He galloped away from Meridian and Beauport, the only other contenders, and finished strong, covering the distance in 1.44.

Rebeck won the last race and was the only outsider to win. Union Jack, a 10 to 1 shot, won the fifth race in easy fashion, with Springbush pushing him at the finish.

NEW SERGE SUITINGS

Hobberlin's Secure Letters Patent
on Extra Quality of Serge
Suitings.

To produce a serge suiting that would wear well, retain its color and not show its one of the difficulties that have beset the tailoring trade for many years. It has been a steady, with the big Hobberlin tailoring firm of this city to get such a serge that could be sold to the public at a moderate price, and yet carry with it the firm's absolute guarantee.

The House of Hobberlin, Limited, have succeeded in having two special brands of serges made for them exclusively at the mills, which cover the points named, and which they can absolutely guarantee, both as to wearing qualities and retention of color.

One of these is called "University Serge" and the other "Constitution Serge." Both are registered at Ottawa under the Trade Marks Act. Every yard of the fabric is stamped with the name, and customers are thus protected from being imposed upon by inferior goods or imitations.

The serges are a deep blue color, woven in medium and fine twills. They are carried at the mills, and also shown to the firm's own shrinking plant on their own premises, and are then made up into a good serviceable cloth made from a good serge for general use, and there is no other deception can be practised, and the buyer is assured of the fact that the two brands of serge are of the highest quality and reliability.

These serges cannot be obtained elsewhere.

CHAMPION CENTRAL TEAM DEFEATS HAMILTON "Y"

Senior O.B.A. Game Proves Easy
Win For the Local Team
—Score 39-24.

The champion Central Y.M.C.A. five defeated Hamilton Central Y. basketball team in a fast game on Central's floor Saturday evening by a score of 39-24.

The close, hard-checking game played by both teams opened the way for a number of fouls, but G. E. Berry, of Bramford, made a good referee, although, perhaps, not altogether consistent of the finer points of the game. Some of his decisions were a trifle raw, but both teams were absolutely satisfied, no favoritism being shown to either side.

In the first half, with the exception of the opening few minutes, Hamilton easily had the better of the play, taking the ball whenever they wanted it, but poor shooting was responsible for the fact that little scoring was done. Webster and Stevenson, generally, were about as good as any tried, and but for the splendid foul shooting of Kennedy, the defeat would have been much worse.

With an even break of luck, Hamilton stood to win, for the tricky five from Bramford had equal speed and combination to the Central aggregation, but notwithstanding the fact that the seemingly impregnable defence of the local boys was penetrated time after time, and shots were rained on the basket from every angle, they could not score.

Stevenson's foul shooting was away off. On the third throw he scored the first point for Central, and five minutes later Stevenson, with the score 18-0 against him, made the first basket for Hamilton on a splendid shot from half-way down the floor.

Central forwards outscored the visitors, and Stevenson, on defence, placed three baskets. Lattimer and Slater, also, played a stirring game for Hamilton.
