The Victoria Athletic Association will hold a meeting on Wednesday evening next at 268 West Dundas street, corner of Dundas and Western road, at 8 o'clock when the certificates for the Toronto Hockey League must be signed. The membership card for 1920 can be obtained at this meeting. The Victoria will be strongly represented this season, and with Stanley Herron, Bill O'Brien, and D. Irons of last year's veterans, Jack Hamilton, Bill Clarke, Art Anderson, Bill Lagerwood, Jeffries, and the Brothers Fisher, the west and organization should give a good account of themselves.

While only Dentals and Parkdale worked out yesterday, the other manly players and players were kept busy on the ice, and the rumors were thick and fast as to where the boys would locate. Manager Bill Morrison and Coach Eddie Powers told the railbirds to wait and watch for Aurora Lee's first try out as a goalie.

Clarkie, St. Pats last year, is claimed for north-end club, and is due to move up to senior. McKnight, the goalie, boy of three years ago, back from overseas and will be out. Murray Rutherford is another star. He is expected to stick with the club. Russell Stephenson, the former T. R. and A. player, will also be on the job. Jeffreys, the goalie, T. S. boy of a year ago, is also another star. The team will include, Craig, Smith, Granville, Robinson and Hall.

Several of the players billed for the Granite seniors were at the rink yesterday. Harry Watson is working on when the Church street aggregation will get on the ice, and promises to trot out the following when the word is given: T. S. Hughes, Fox, Duncun, Moore, St. Pats, and Hagarth. Aurora Lee, formerly of the Victoria, is also expected. Alex. Romeril, formerly of T. R. and A., and Varsity and St. Pats; Harry Watson, formerly of T. R. and A.; and Bill Myles, with T. R. and A. a few years ago.

The first practice of the Varsity Junior O. H. A. aspirants will be held tomorrow at 8:30 p.m. at the arena. The junior squad has been divided into two sections. The selected team will meet Aurora Lee, the present S. F. A. cup holders, in the opening game of the S. F. A. junior series, on Wednesday, December 10.

A general meeting of the hockey and rugby players of the Don Rowing Club will be held at the clubhouse at 8 o'clock Wednesday evening.

The Western City Hockey League clubs are reminded that next meeting will be held on Wednesday at 8:15 p.m. in St. Francis' club rooms, 3 Bellwoods Park, near Dundas and Shaw streets.

All clubs that have been represented at previous meetings and any clubs or commercial teams which wish to join the league are requested to have delegates on hand early. As the name indicates, it is the intention to operate throughout the western section of the city, and it is expected that the coming meeting will have a larger representation than any held.

Pipebrook Bros., Limited, have donated a trophy for the senior series. Mr. J. L. Casey and Mr. Gerald W. Morley have each donated a trophy, and are promised to obtain one for the junior series. There will be a trophy and set of medals for each series. Fees are to be paid at this meeting and it is intended to complete the organization at the earliest possible moment.

Applications from referees should be sent at once to Roy D. Pedra, secretary-treasurer, 10 Grace street, College 6882, or to G. R. Hunt, 233 Clinton street, College 7068.

PLENTY OF PLAYERS AT FIRST PRACTICES

Dentals and Parkdale Usher in the Winter Pastime—Gossip.

Winter can be officially declared with the hockey players came out of hiding yesterday, and the first practices of the season were held at the Arena. True only two of the local senior amateur teams worked out, but enough puck-chasers to make up half a dozen teams put in an appearance and plenty to round out the even twelve teams were watching the proceedings from the side lines.

Dentals and Parkdale were the teams to work. Both had large and good-looking squads, but nobody can say if the players will stick. The hockey player is like the early fly. He loves to buzz around and takes a bite of every bit of stuff offered.

This is Parkdale's first whirl at the senior game in many moons, and they will have the hardest working of the players. Dents have been playing for the last four or five years. They have established the players who have done in the past and realize that it is a team worth playing for. The Parkdale players are well known and have the promise of several good men to play with them. Their first practice was a big success and more good things are to come.

Dents trotted out seven of last year's team. Manager Bill Box, Louis Hulse, Lee Rennie, Stan Brown, Vern Forbes, Joe Olson and Rod Smyke were the members of last season to do a skate. Charlie Stewart watched the workout from the sidelines and will be out today.

Of the new ones Dr. Mack Sheldon was the best known. Mac was rated the best defence man in senior company two years ago, and went right to work yesterday. He seems to be keeping his hip to the far off Siberia and should be a tower of strength to the Dents this year. Carson's ability is well-known locally.

Langtry, a goalie who was with Winnipeg Vics in 1915 and 1916, is another new one. The others were: McGinnis, from Battleford, Sask.; Kay, late of Sydney, C.B.; Armstrong, J. Jackson, from Cord and Miller, all of Winnipeg. L. G. Carson, from Dalton, Man., and Wright, who played with the 22nd Battalion team in the O.H.A.

Parkdale's practice was closely watched. Ernie Collett had the squad in charge, and Art Duncan has been elected to coach the boys. Of course, Collett was in goal and Ernie Woodcock, another former Newman Hall player, was in front of him. Pete Reesor, a Riverside star in former years, is trying to come back with the conscripts. Duke McCurdy, last year's star of the Woodstock Juniors last winter, is now a Dental student, and will try for a place on the team. Carson's ability is well-known locally.

Workers will again be the senior roster. Jack Hamilton, Bill Clarke, Art Anderson, Bill Lagerwood, Jeffries, and the Brothers Fisher, the west and organization should give a good account of themselves.

Duncan to Look After Team—Mercantile and Bank League—Strong.

The amateur hockeyists did not get the whole of the limelight yesterday. With the announcement that Art Duncan, the Toronto boy who was a coast and 22nd Battalion pro star, would handle the Toronto pro team, things began to hum.

It also came out that Joe Malone is now working in Toronto, and will be able to go east to play for Quebec. He is another star. He is expected to stick with the club. Russell Stephenson, the former T. R. and A. player, will also be on the job. Jeffreys, the goalie, T. S. boy of a year ago, is also another star. ENNISCLARE FARMS

WINNINGS TO THE S. A.

Fifty Ribbons and Eight Trophies to Oakville From the Horse Show.

That the breeders of Canada are still producing a very superior quality of horse which can hold its own in competition with those of other countries and for which there is a ready market, both at home and abroad, is again amply proven by the conspicuous success of the Ennisclare Farms of Oakville. In the hunting and jumping classes of the United States National Horse Show last week in New York.

Out of twenty-four classes in which these Canadian horses were entered they were sixteen times placed first, seven times second, as well as getting several third and fourth ribbons. In eleven classes of the twenty-four they won both first and second prizes. The experience of carrying off all four awards in two classes for thoroughbreds. All the regular, green and qualified hunter classes fell to them, as well as the majority of events in which jumping alone was scored, while they had a most unusual win in the class for teams of three hunters with apollo and qualified hunter classes. All together somewhat over fifty ribbons and eight of the most important pieces of plate offered will be added to the farm's trophies, the money prizes amounting to more than one-half the total cash offered being handed on to the Salvation Army fund, to which the gross receipts of the horse show are to be given.

Through the week the remarkable horsemanship of Hugh S. Wilson, who has picked all these horses in the rough and personally trained them, was a constant source of wonder and pleasure to the large audiences and to the horsemen in particular.

Announcement

Men's Clothing Prices

We wish to announce that the recent order of the Board of Commerce regarding the price of Men's Suits and Overcoats does not affect Day's Limited.

For the reason, that—we have never added to our prices sufficient to average such a profit as that now set by the board as being fair and reasonable.

To offer "Good Clothes at Lower Prices" we opened our store on the corner of Adelaide and Victoria Sts. The greater saving in rent and other economies enable us to sell at lower prices. And we will continue to sell at these lower prices, though they are substantially below those allowed by the recent order.
