HITCH DELAYING RAILWAY PLANS

Question of Co-ordination of Systems May Come Before House.

Special to The Toronto World. Ottawa, March 21.—There is a good deal of speculation here as to the hitch in co-ordinating the Grand Trunk and the Canadian National Railways.

The board of management which is to co-ordinate the Grand Trunk services with those of the Canadian National Railways, should have been appointed almost immediately after the ratification of the agreement.

It was thought when last season's legislation was passed, that every provision had been taken.

LIFT QUARANTINE; TRAFFIC INCREASES

Regulation at Border Ends Fears of Resorts.

Bridgeport, March 20.—The border quarantine was lifted here at midnight last night after having been in effect more than three months.

As a result of the much expressed fear that the large American summer resorts along the lake shore at Erie and Crystal Beach would be hit hard this year by the quarantine in the early opening season, have proved to be without any definite foundation.

The announcement that the bath would be lifted was known on Thursday, but even up until the last minutes those who had not been vaccinated prior to leaving Canada for the States were forced to undergo the operation.

Better than Metal Better than Wood

EDDY'S INDURATED FIBREWARE

There's a big difference between the old-fashioned wooden tubs and buckets and Eddy's Indurated Fibreware.

Eddy's are made from wood pulp—moulded under tremendous pressure—then dipped in solution and baked for days in terrific heat.

The result is a product as strong and durable as steel, hard as flint, and yet very light and convenient to handle.

No cracks—no dents—no falling apart—impervious to odors—clean and sanitary.

Once tried, always used.

Liquor Smugglers Outwit Officials

Six Barrels Mysteriously Vanish at Other End of Niagara Bridge.

Bridgeport, Ont., March 20.—The Buffalo police, or, rather, the federal enforcement officers across the line, are handing it to some clever liquor smuggler, for whoever he or they was or were, the wool was pulled very thick over the eyes of the customs officials and the federal enforcement officers.

Six barrels of Canadian liquor were shipped, it has been discovered, from Bridgeport to Buffalo, billed as lumber.

When the car arrived in the Black Rock yards, before the customs men had an opportunity of inspecting its contents, the doors were opened, a wagon or a truck requisitioned, and the six barrels removed.

One of the barrels was leading, and it was thru this and the marks made by the bottoms as they stood on the car floor, which gave the United States officials a clue.

While investigation has been made here into the railroad records, nothing has been produced which would result in implicating the persons concerned.

DISCUSS SEDITION; WANT IT DEFINED

Ottawa Allied Trades Takes Up Government Reply to Its Deputation.

Ottawa, March 20.—A circular from the executive of the Trades and Labor Congress of Canada, with the reply of the government to the deputation which waited upon it on January 3, started a discussion on the question of sedition at last night's meeting of the Ottawa Allied Trades and Labor Associations.

Delegate McDowell thought that labor should have a clear definition of the meaning of sedition and seditious conspiracy.

He also remarked that the present government should go out of office as it had fulfilled its function of a war government.

Delegate Draper, secretary of the Trades and Labor Congress of Canada, replied that the executive of the Trades and Labor Congress, was considering Justice McCreake's address to the jury in the Russell case. There was no law, he said, covering sedition or seditious conspiracy in Britain or in Canada.

He questioned whether it would be wisdom to have such a law. He stated that the present government had paid more attention to labor as represented by the Trades and Labor Congress than had ever been the case before.

In regard to the reply in question he said it was the first time that any government had taken up each specific question and given a written reply in unmistakable language.

As for a bill of rights for labor he did not know of any five or six members who could submit a bill and say they represented labor.
