BASEBALL IN ENGLAND.

Baseball has evidently caught on in England and the founders of the Baseball League are so pleased with the result of their initial tournament that they have started a cup competition too. They began with many meetings, but when the first league series closed on Saturday, Aug. 11, every member of the committee wore a smile that was expansive enough to make an ordinary man.

FOOTBALL

The committee appointed by the Y. M. C. A. of St. John to consider the advisability of introducing a football team in the city, met yesterday afternoon, and it was unanimously decided that the committee will not be reappointed to consider this year.

GOLF

GOLF BALL HIT FLYING BIRD. The Country Club (Brookline) golf course was the scene of an aerial tragedy Sunday afternoon, during a match at golf between R. A. Leeson and F. C. Hood, two of the foremost golfers of the club.

THE TURF

Sussex, Sept. 11.—A large crowd witnessed the opening of the exhibition race held here this afternoon. The weather was fine, but a strong southwest gale prevented fast time, although all the heats were under the 20 mark.

THE RING

MIKE TWIN AFTER GAINS. An exchange says: "Mike Twin Sullivan was an ambitious fellow and full of courage. Although he has been twice knocked out by Gans, he insists on another dose of the sleep-producing medicine, and has posted a \$10,000 forfeit to bleed a match with the holder of two titles. It would appear that Sullivan, who is certainly one of the best welter in the country, and who recently stopped Jack Dougherty, the Milwaukee 145-pounder, is just the sort of game that sells Gans and the negro should have no trouble in making three in a row."

THE KERRY GOW

Another large audience witnessed the second production of "The Kerry Gow" at the Opera House last night, and, as on the previous evening, the performance and staging of the popular play was such as to reflect credit on both performers and executive.

MODERNIZED MOTHER GOOSE

Handy, Spandy Jack the Dandy, Like a cigar as well as candy, But they must be "good as gold," And his friend he often told.

SYRACUSE RACES.

Syracuse, N. Y., Sept. 11.—Fifteen thousand people attended the second day's Grand Circuit races at the State Fair grounds this afternoon. The feature was the Empire State \$10,000 stake for 214 trotters, won by Allie Jay, owned by General Wilson B. Chalmers, of Cleveland.

THE OAR

NEPTUNES WILL CONTINUE. At a meeting of the Neptune Rowing Club last evening at St. John's, it was decided to enter the club on its present list, and plans were talked of for the coming winter.

BOILS AND PIMPLES

Red Rash, Eczema, in fact any skin disease, disfigures the complexion because the bowels are constipated. Because the kidneys do not rid the system of waste—or because the skin itself is unhealthy.
