MOFFAT'S VEGETABLE LIFE PILLS, AND PHENIX BITTERS.

VEGETABLE LIFE PILLS, AND PHENIX BITTERS.

WHO WANTS BETTER EVIDENCE?—
I would refer the reading public to the numerous voluntary letters published, recently in the Good Samaritan and other papers, relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHENIX BITTERS.

Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afficieted with disease; and in all cases of acute suffering great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In cases of FEVER of every description, and all bilious affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally admitted to be the most speedy and effectual cure extant in all deseases of that class.

The LIFE MEDICINES are also a most excellent relief in affections of the Liver and Bowels, as has been proved in hundreds of cases where patient-have come forward and requested that their expesive rience in taking them might be published for the benefit of others. In their operation in such cases they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the bead, whether accompanied

health.

In affections of the head, whether accompanied with pain and giddiness or marked by the greeous calamity of impaired mental energy; in pulpitations of the heart, flatulence, less of appetite and strength, and the multiplied symptoms of disordered digestion.

THE LIFE MEDICINES will be found to possess the most salvers of incompanies.

of the heart, flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion. THE LIFE MEDICINES will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of THE LIFE MEDICINES. Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emeciated limbs will ere long meet the happiest change; the chill watery fluid will become rich and belsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of THE LIFE MEDICINES, and all that train of sinkings, anxieties, and tremours which so dreadfully affect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfuiness, and every presage of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by two frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take THE LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article of health and life.

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefitted:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and isw. Experienced quick relief from the use of the Life Medicines, and in less than three months was entirely cured. { Case reported, with a wood engraving in a new pamphlet now in press.}
