USE OF QUEEN'S RINK GIVEN FOR THE AUCTION

Next Week the Carvassers Will Start After Goods From Which to Realize \$50,000
No cash donations are to be asked for next week when the canvassers for the \$50,000 Patriotic Auction begin their rounds. The idea is to secure goods to great an extent as possible, and then to have them sold for whatever they will bring, converting them thus into money during the week of the auction, October 4 to 9. It is believed from the spirit being shown on all sides that the collectors will meet with a general reception from all upon whom they call, as only in this way can the slogan of \$50,000 in a week for the patriotic fund be realized.
So great are the donations expected to be that it has been thought by the executive that St. Andrew's rink will not be sufficiently large to cope with the event. This rink will be used to accommodate the crowds of buyers expected to throng the rink during the week of auctions, having been turned over to the promoters of the movement freely and willingly by the committee. Now the Queen's Rink has been placed at the disposal of the executive by R. J. Armstrong, whose kindness is appreciated and it will be used for storing goods in reserve, to be brought out and sold at the auction.

SIGNALLER JOSEPH DRYDEN WAS SERIOUSLY INJURED

St. John Soldier Recovering in Hospital in England
In a letter to his father, received on Saturday, Signaller Joseph Dryden, who left here with the first contingent, Signalling Section, tells of being still in hospital in England, but says that he is recovering from his wounds. His injuries were serious, consisting of a skull fracture, from shrapnel, and wounds in an arm and hand. It was possible that he might be invalided home, but there was as yet no definite word of it.

SEPTEMBER BRIDES

Two popular young people were united in marriage this morning in the Cathedral, when Miss Florence J. daughter of Mr. and Mrs. John O'Regan of this city, became the bride of Charles A. Conlon, now of Montreal, son of Mr. and Mrs. C. A. Conlon of St. John. Rev. Wm. Leake officiated in the presence of numerous friends, the ceremony taking place at nine o'clock. The bride, who wore a gown of pink flowered voile, and carrying a bouquet of sweet peas. The groom was supported by his brother, Fred O. Conlon, while the ushers were John O'Regan, Jr., and J. H. Conlon.
Following a wedding breakfast at the home of the bride's parents, Elliott row, Mr. and Mrs. Conlon left on a home-bound train to Halifax and through the Annapolis Valley. They will return to St. John before leaving for the States where the best wishes of numerous friends will follow them. Many handsome and costly souvenirs of the happy event attended to the extent in which both are held by friends here and elsewhere.
McLaughlin-Reardon
On Saturday morning at St. Patrick's church, Rev. Father McLaughlin, brother of the groom, assisted by Rev. E. J. Conway, celebrated at nuptial mass united in marriage James N. McLaughlin and Cornelia Reardon. The bride, who was given away by her father, looked charming in a dress of chiffon over silk, veil and ornate blossoms. She was attended by her sister Maude who wore lavender silk with black picture hat. The groom was supported by Fred B. Reardon, brother of the bride. The bride received many beautiful presents. The groom's gift to the bride was a substantial check and to the bridesmaid a golden pendant. After the ceremony Mr. and Mrs. McLaughlin drove to the home of the bride where a wedding breakfast was served. Among the guests were Mrs. T. McIntyre, Miss Elizabeth Walton of St. John, Mrs. J. H. McLaughlin and Miss Nan Armstrong of Perth, N. B. Both young people are very popular and have hosts of friends, who wish them every happiness in their new life.
Whitman-Profit
The wedding of John Kenneth Whitman of Lewiston, Me., to Miss Jennie Euphemia Profit, of Augustine Cove, P. E. I. took place on last Saturday at the residence of the officiating clergyman, Rev. F. S. Fortney, pastor of Gorman Street Baptist church. Mr. and Mrs. Whitman will spend a honeymoon on P. E. Island before going to Lewiston to take up their residence.

THE DOG SHOW.

That the dog show, which will open in the Queen's Rink on next Tuesday will be an unqualified success is now assured. As the proceeds of this show are to be given for the benefit of the soldiers who are fighting Canada's battle at the front, dog fanciers and the general public are taking an unusual interest in the success of this exhibition. For the convenience of fanciers who have not already entered their dogs, the New Brunswick Kennel Club has leased one of the Dufferin sample rooms on the south side of King Square, and some of the members will be present each evening this week from eight to ten to give information and to receive entries. Entries will close on next Saturday evening.
At the latter part of the week the cups and other prizes will be exhibited in the show windows of Messrs. W. H. Thorpe & Company, Limited, King street.

CITY HALL NOTICES

Among the matters to be dealt with by the common council this afternoon will be the protest registered regarding the amount of the license fee charged for the carnival shows in St. John last week.
Owing to the amount of time required to check the names, the petition protesting against the garage by-law will not come before the council today.
Complaints which have been made regarding the way in which some of the city constables do their duty, or fail to do so, will be aired today.

ALL NEEDED IN GREAT STRUGGLE

Campaign to Make Everyone Realize This is Necessary, Says Mrs. Brown

HERE TO ADDRESS MEETINGS

Noted Montreal Woman Worker For Empire Cause Arrived From Fredericton Today - Ready to Organize Saint John Women's Volunteer Reserve if Requested

Much interest attaches to the visit of Mrs. Netta B. Brown of Montreal, who arrived in the city this morning from Fredericton and will address ten meetings here today. She wears the uniform of the Women's Volunteer Reserve, that excellent body of women who are doing so much in Great Britain, Canada, and other dominions to help the cause of empire. Mrs. Brown is an attractive speaker, has a pleasing personality and is a convincing conversationalist. There is no doubt that her meetings in St. John will be attended with great success. If she is asked to do so, she will form a branch of the Women's Volunteer Reserve in this city, and would also like to form a Business Men's Training Corps, besides establishing an educational campaign with women speakers to go out into the country to meet the women of the rural section.
Mrs. Brown, in speaking this morning of her work, said she was greatly pleased with the reception given her in Fredericton. The women had been most kind, while the men had been very obliging and courteous. She had been looking forward to her St. John visit with interest, as she felt certain of a feeling of hospitality here because of what she had heard of its citizens. "I do not know what my immediate plans are," she said, "beyond the fact that I shall address meetings in other towns in the province. If I am requested to organize a Women's Volunteer branch here I shall be most happy to do so, and shall stay over for the purpose. It is a great movement. We now have companies in various cities in Canada from west to east, Fredericton being the latest to adopt the idea. The corps in Montreal is especially active, while the other units are taking to the work in encouraging style. In England it is members of this body who are working in the munition plants, who are engaged as street car conductors, letter carriers, and in various other occupations formerly looked upon as being places for men.
"What I wanted more than anything else, as I see it, in connection with recruiting," Mrs. Brown continued, "is a campaign to educate everyone up to the idea that all are needed in this great struggle. Most people, men and women, in the cities realize the enormity of it, and the demands upon all persons, but do the people in out of the way parts understand? This educational campaign would be instructive in the matter of explaining, placing fully before them in all districts of the province, the issues at stake, the national crisis and what it means, and then we know the answer would be 'our men must go and fight!'"
Women's Volunteer Reserve
A branch of the Women's Volunteer Reserve Corps has been formed by Mrs. Netta B. Brown in Fredericton, and the membership is now upwards of forty. The organization meeting was held at the Queen Hotel on Saturday evening. About thirty women were present at the meeting and they all enlisted in the corps. The following are the officers selected:
President—Miss Myra Sherman.
Secretary—Miss Hazel Palmer.
Corresponding Secretary—Mrs. John Black.
Treasurer—Mrs. H. H. Thompson.

FUNERAL DIRECTORS

The opening session of the convention of the N. B. Funeral Directors' Association was held this morning in the parlors of N. W. Brennan, Main street. It was mostly of a preliminary nature for re-organization and registration of delegates. Among those in attendance besides the city undertakers were: Fred Tuttle, Moncton; Mr. Lauder, Hillsboro; F. W. Wallace, mayor of Sussex, and Mr. LeCout, Newcastle. Another session will be held this afternoon at which a demonstration and address will be given by Mrs. L. R. Simmons, Syracuse, N. Y.

Housecleaning!

Help! Help!
Housecleaning is the way mother used to do it was strenuous work. Chases, riggered and show grease was the chief lubricant.
Today science has lessened her labors. There are cleaners, sweepers, scrubbers, mops, and a thousand and one devices for saving time and toil.
The first step towards correct housecleaning is the choice of the right materials to work with and in finding these the advice of the advertising columns of The Telegraph and Times may be of assistance.
