

CALDWELL IS NAMED; TO BE INDEPENDENT

Member for Carleton-Victoria in Last Parliament
Will Contest Constituency as Independent
Liberal-Progressive

ANDOVER, N. B., Sept. 23.—"If successful in the coming election I shall go to Ottawa as your representative with an independent attitude and with the firm intention of supporting all legislation conducive to the best interests of the Dominion at large and this constituency, regardless of the party by whom it is sponsored."

So declared T. W. Caldwell amidst an enthusiastic reception as he arose to accept the Independent Liberal-Progressive nomination which was tendered him at the Liberal-Progressive convention for Carleton-Victoria held here this afternoon. The other name before the convention was that of the Hon. W. P. Jones of Woodstock. The count of the ballot completed, Chairman Collins who represented the constituency in the last Parliament as a Progressive, duly elected on motion of Hon. Mr. Jones, the nomination was made unanimous.

FREIGHT TUBE FOR LONDON IS PLANNED

Will Carry About 69 Miles of
Track and Cost
\$32,000,000.

LONDON, Sept. 24.—Details of the scheme to build a "goods" tube railway under London, has just been announced.

The scheme is an Anglo-American one, involving a capital of \$20,000,000, and throughout each of the three years during which the railway will be under construction it is estimated that 100,000 men will be employed.

The provision of the capital required has been arranged through the co-

operation of American and English banking houses. It has also been arranged to form a Promotion Company with a nominal capital of £100,000 for the purpose of obtaining statutory powers from Parliament.

Those actively associated in the promotion of the undertaking include Lord Asquith, Sir Henry McMahon, R. Roosevelt Leacock, New York, and R. Dudley Bartlett, of Messrs. Perry & Co., Ltd., chief construction contractor.

Mr. Carkett-James, the designer of the scheme, said in an interview last night: "The undertaking provides for underground tubes carrying about 69 miles of track linking up all the principal railway goods terminals."

The project is now receiving the consideration of the railways through a committee representative of the four great railway groups.

DOHERTY'S RETRIAL DEFERRED A MONTH

Hearing of Murder Charge is
Postponed Because of Elec-
tion in Albert.

HOPEWELL HILL, Sept. 23.—On account of the date of the Albert municipal elections conflicting with that of the adjourned meeting of the Circuit Court, which was to have been held on Oct. 6, for the second trial of Lawrence Doherty, charged with the murder of Howard Cairns, court has been further postponed to Tuesday, Nov. 3. When the case is re-tried there will be new counsel for both the Crown and the defence.

STEAMER REFLOATED
BREMER, Sept. 23.—The American steamer George Washington, after having gone aground today on Mellum Flat, in the river Wosser, was refloated without damage this afternoon and continued on her way to New York, whither she was bound from Bremer Haven.

Boy Shot In Chest In Newcastle Mishap

NEWCASTLE, Sept. 23.—Benjamin Williston, son of Benjamin Williston, of Newcastle, was accidentally shot at

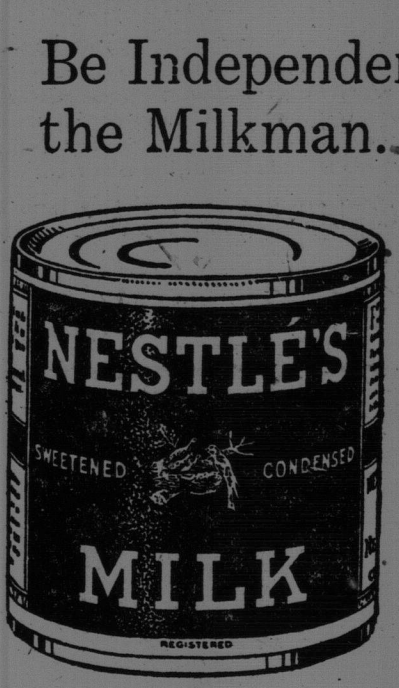

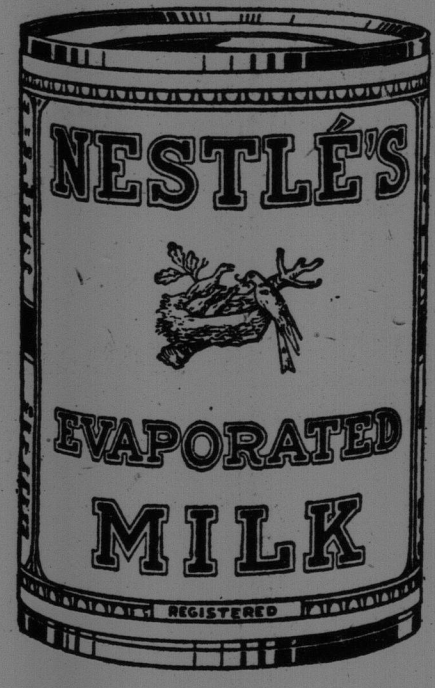

the Marsh dump this afternoon. A crowd of boys were shooting at a target with a .22 calibre rifle. Young Williston walked in front of the target and was shot in the chest by a young chap named Robichaud. He was taken to the home of C. N. R. Inspector

Steeves. Dr. J. A. M. Bell was called and immediately removed the boy to the Miramichi Hospital. He is suffering from shock. It is not yet known how seriously the boy is injured.

A hardy gold fish will live 17 years.
