### WILL CONFER ON CHARITY WORK

#### St. George's Society Takes Up Matter at Quarterly Meeting.

Large expenditures for relief were shown in the report of the charity committee of St. George's Society submitted at the quarterly meeting last night in the Pythian Castle with R. G. Schofield, president, in the chair and a good attendance of members.

The expenditures had been for cases of relief among Englishmen and covered a period of six months. The report was discussed at length. It was shown that there had been especially heavy expenditures during the winter when great many men drifted into the city in search of work and claimed charity on account of being English. It was felt that while the society had every desire to help an English brother in distress, especially those Englishmen who are residents of the city, the society might be bearing too large a share of the burden of unemployment.

Finally a resolution was passed to the effect that the charity committee of St. George's Society meet with the charity committee of St. Andrew's Society and discuss the matter of relief and decide upon some settled policy. It was also noted that there was a great deal of duplication of relief.

A further resolution was passed to the effect that the society should arrange some entertainment to take place in the near future, such as a dance, concert or bridge, the proceeds of which were to be devoted to the charity fund. The chairman was to name a committee with power to act in the matter. The next matter brought up was the celebration of Trafalgar Day on Oct. 21. It was decided to ask the newspapers to print articles on the subject and to have flags flown in honor of the day.

Several names were proposed for membership and there was general discussion on the affairs of the society.

#### V. O. N. FUNDS ARE INCREASED \$1,825

Gift of \$500 Bond Added to Tag Day Receipts.

A gift of a \$500 bond was received by the Victorian Order of Nurses to augment the tag day receipts and this most generous gift has been received with much gratitude. The giver, a former resident of St. John, wishes to remain anonymous. With this latest donation of \$500 several others which have come to land since the tag day conducted for the V. O. N. in St. John the total proceeds of that effort have reached \$1,825. It was said last night by Hon. J. G. Forbes, president of the V. O. N. Board.

The monthly meeting of the board was held yesterday afternoon with Judge Forbes presiding and the recent contributions were acknowledged gratefully. The objective for tag day had been \$2,500 and, as the society is to receive a bequest of \$100 from the estate of Lady Barker and it is expected more of its good friends in the city will come to its aid, it is hoped that the objective may be reached.

#### Future Policy.

The future policy of the V. O. N. in St. John was under discussion at the meeting yesterday and it was decided to arrange a conference with representatives of the V. O. N., the medical profession, the Board of Health and Hon. Dr. W. F. Roberts, Minister of Health. The conference is to take place as soon as possible.

Miss Dora Coates, superintendent of the V. O. Nurses, gave an account of the meeting of the Dominion board of the V. O. N. in Toronto, which she

### DEMONSTRATION WEEK PLANNED

#### Girls' Work Board Elects Mrs. R. G. Fulton President.

Plans for a demonstration week to be held throughout the province at some time to be decided upon later, but probably about the beginning of March, were made at the annual meeting of the New Brunswick Girls' Work Board last night at the home of Mrs. R. A. Jamieson, retiring president. Very gratifying reports of the work of the year were presented. The officers elected were as follows: President, Mrs. R. G. Fulton; vice-presidents, Mrs. C. A. Christie; secretary, Mrs. R. A. Jamieson; treasurer, Miss Catherine Amos.

The reports told of the conference held in St. John last fall and the summer camp conducted with great success. A new dining hall had been built at camp this year by the board at an expense of \$400. The meeting passed votes of thanks to Rev. C. W. Machum, who had supervised the construction of the camp dining hall, and to Miss Laura Baxter, who had proved so very efficient as camp manager.

The treasurer's statement showed a balance of \$758.11 on hand. Miss Marjorie Trotter, Maritime girls' work secretary, gave a report of her work in New Brunswick. During the year she had visited the following centres: St. John, Moncton, Fredericton, Woodstock, Sussex, Shediac, Hartland, Hampton, Campbellton, Dalhousie, Chatham, and Debec, Brookville and Sackville. Some of the centres she had visited on several occasions. She had attended community rallies, mother and daughter banquets, mothers' meetings, church services, individual group conference and leaders' conferences. Much of her time had been given to the St. John Girls' Council.

When plans for the coming year were discussed it was decided that Miss Trotter should fix the date for the demonstration week and it was agreed that three representatives should be asked for from each denomination, and from the Y. W. C. A., as members of the Girls' Work Board. Instead of two representatives only as had previously been the custom.

The delegates appointed to attend the M. R. E. C. conference in Turro next week were Mrs. Fulton and Mrs. Jamieson.

#### LADIES' AIDS MEET.

#### DEFER MAKING PLANS.

### Set yourself straight on these Bran facts!

If you eat bran it is because you seek relief from constipation and toxic poisoning!

To get the relief your physician will tell you that bran will give—you must be certain to get Kellogg's Bran, BECAUSE it is ALL BRAN! That is the kind your physician intends you to eat.

You only delay positive relief when you eat foods with a partial bran content, because they can only help you in proportion to the amount of bran they contain! You haven't time to waste on 25 per cent or 50 per cent relief when you know that Kellogg's Bran will give you 100 per cent relief BECAUSE IT IS ALL BRAN!

Every day's delay lets your condition become worse! Piles and cathartics can only aggravate distressing conditions. Part bran foods cannot permanently help you! They do not have the necessary bulk or roughage that makes ALL BRAN positive in its mechanical action! That is why Kellogg's Bran is a necessity!

Kellogg's Bran—because it is ALL BRAN—is GUARANTEED to give you permanent relief if you will eat two tablespoonfuls each day, or as much with each meal in chronic cases!
