PREMIER MEIGHEN ON WASHINGTON REPRESENTATION

The most important event of the yesterday afternoon session of the British premier's conference was a statement by Premier Meighen on Canada's decision to have a Canadian minister in Washington.

He told the conference that this action by the Dominion of Canada is first of all based upon the need for a purely Canadian representative at the American capital with a more intimate understanding of Canadian conditions and problems, and with a greater capacity for transacting business with more rapidity than is the case at present, this having become essential owing to the ever increasing business relations between the two countries. Moreover he believed that in addition to the advantages to be obtained in a business way the presence of a Canadian representative at Washington would be a step toward fulfilling Canada's mission of acting as the bridge which should lead to a greater friendship and better understanding between the two great branches of the Anglo-Saxon people.

It was intimated at Washington yesterday that the United States would welcome the establishment of more formal diplomatic relations by the appointment of a Canadian ambassador at Washington.

THREE DROWNED AT MONTREAL

Two Were Caught in Whirlpool; Third Got Into Too Deep Water.

Montreal, June 22.—Caught in a whirlpool while bathing, Jim Baker, aged 12, and Edward Schville, aged 9, both of Greenfield Park, were drowned opposite St. Lambert last night.

Emile Gauthier, 19, of this city, was drowned in the Lachine Canal last night while bathing with two companions. None of the three could swim, but the other two managed to get out of the water, which was eighteen feet deep where they jumped in. The body was recovered about three hours later.

WOMAN, 84, GETS DIVORCE.

Oklahoma City, June 22.—Mrs. Matilda Foss, eighty-four, was granted a divorce from John Foss, seventy-five. They were married in 1865. Her plea was that Foss "wouldn't work."

WAS THREE TIMES TOLD HE WAS TO DIE

Warsaw, May 31.—(A. P. by mail.)—Three times Captain Merion Cooper of Jacksonville, Fla., while in a Bolshevik prisoners' camp in Russia for nine months, was notified that he was to be shot at sunrise. Then, for hours preceding the time set for the supposed execution, Cooper was grilled by Soviet authorities, who pretended to believe that he was a representative of the American government. When the hour of execution came round, no Bolshevik appeared, but Cooper was never notified otherwise, being left in suspense day after day until he escaped.
