ALBERTA COAL MINERS' STRIKE IS SETTLED

(Canadian Press Despatch.)

Calgary, Oct. 4.—"The strike is now as good as over," was the comment of Senator G. D. Robertson, minister of labor, in referring to the Drumheller strike situation Monday. This is confirmed by reports from various quarters. Even at the Monarch stronghold in the valley, the greater proportion of the men returned to work this morning. The actual position at the time of writing is that all the mines with the exception of four of the smaller ones, are now working, most of them with a full crew. All the mines at Fernie were working Monday, also those at Michel. The same also applies to the mines in the Lethbridge district.

CHILDREN LOSE LIVES IN FIRE

(Canadian Press Despatch.)

Merrill, Wis., Oct. 4.—Five children of Edward Nelson, ranging in ages from five to fourteen years, were burned to death when fire destroyed Nelson's farm home near here early today. The children were asleep upstairs. The parents whose bedroom was downstairs escaped. A lantern left burning in an upper bedroom is believed to have caused the fire.

Through lack of attendance, the monthly meeting of the board of trade, which was to have been held last night, was postponed until Oct. 11.

Your Earning Power and Your Need of Sleep

IT'S a big temptation these days, with so much to be done, to cut down your sleeping time.

But the busier you are, the more you need the perfect relaxation that only good sound sleep can give.

You probably need more sleep—you certainly need better sleep. And this means better beds, better springs, mattresses and pillows.

Far from promoting perfect sleep, the typical wooden bed or ordinary metal bed creaks, rattles and sways, preventing that sound repose which can be had only in a sturdy, noiseless bed.

The ordinary spring sags or humps, and most mattresses and pillows are lumpy, even when they are not unsanitary.

You should know the Simmons noiseless Bed—built for sleep.

Simmons Limited is a pioneer maker of Metal Beds built for sleep—

Maker of those wonderful Simmons Springs, that really do invite the body to lie out flat, every muscle relaxed.

Expert in producing Mattresses built for sleep—soft and luxurious.

Maker of Pillows that rest the head and neck.

Specialist, too, in Twin Beds—that fine principle of a separate bed for everyone.

Ask the leading merchant in town about Simmons Metal Beds, Brass Beds, Springs, Mattresses, Pillows, Day Beds and Children's Crib.

The most popular sleeping equipment in the stores—and they cost little if any more than the ordinary.

And when you are selecting your Simmons Beds with an eye to their appearance in the room, you will see that Simmons has for the first time established beautiful and authoritative design in Metal Beds.

The "CHATSWORTH" Design 1901—in Twin Pair

Made of Simmons new Square Steel Tubing—Seamless, smooth and beautifully finished. Equipped with the patented Simmons Decorative Colors. Has the Simmons patented pressed steel noiseless Corner Locks. Easy rolling casters. Your choice of Twin Pair and Double Width. Specially pleasing in Twin Pair.
