## Good Things Coming to Theatres of St. John

**CHARLIE RAY'S**  
**A BIG FAVORITE**  
Long, Lanky, Loveable Lad Back Here Tomorrow

SEE IT TONIGHT FOR ALL WILL BE NEW AT GEM TOMORROW

**CHARLES RAY**  
in "The Hired Man"  
A Paramount Picture

Probably no notice was required to call attention to the appearance of Charles Ray in "The Hired Man," the third Ray picture under the Ince-Paramount banner, but we wish to add a line about this production which will doubtless interest you.

You may have been one of those who have followed the rise of Charles Ray through his various productions in the past. You have laughed and cried with him in "The Pinch Hitter," "The Clodhopper," "The Son of His Father" and "The Mother's Boy."

If you saw any of these pictures you will want to see his latest picture, coming to this theatre tomorrow. And if you did not see any of them, let us say to you that we believe there is not a young man before the screen today that is more popular than Charles Ray, and the ability exemplified by this lanky but lovable chap.

The picture tomorrow gives Mr. Ray all of the latitude of "The Clodhopper" and "The Son of His Father." In the character of Early Hollins he cherishes a desire to educate and lift himself. This commendable boyish ambition and eventual accomplishment is something that every young person in the audience should see something that every grown-up will appreciate.

Come on Friday or Saturday, and come early.

Yours for service,  
IMPERIAL THEATRE.

## CHARTER, FAMOUS ENTERTAINER, AND COMPANY COME TO LYRIC THEATRE NEXT WEEK

Chas. J. Charter is a name that has long ago won renown and fame in the United States as representing a man who stands alone in the amusement world through his absolutely wonderful talents, which are at once novel, different and somewhat weird. After a lengthy tour of the Belmont Theatre, New York, Mr. Charter and his company of seven artists will open a special engagement at the Lyric Theatre, next Monday, coming direct from the Metropolitan of the U. S. A. The offering of this company is novelty in every sense of the word, relieved by a refined comedy element and a number of startling features. See tomorrow's papers.

## OPERA HOUSE TONIGHT: ALL NEW TOMORROW

Tonight will be the last opportunity to see Ching Ling Toy, the Chinese magician, at the Opera House, and his wonderful basket of tricks. He will be heavily laughed with John F. Clarke, the funny Irish comedian, see the other three good acts and a good picture. The usual weekly change of programme opening tomorrow night offers More, Less and More, three boys in a comedy variety act, singing, dancing and acrobatic novelties; the Bell Sisters in a musical comedy revue; Harry Allen, singing, comedian and jester; Bollinger and Reynolds in "Fun on the Wire," introducing "Facts on the bounding wire; Fredericks and Palmer in a comedy variety number, "Don't Dance," and the usual episode of The Mystery Ship.

## LAST CHAPTER OF "THE HIDDEN HAND," WITH REAL FUNNY FOX COMEDY AT UNIQE

The many mysteries of "The Hidden Hand" will be cleared away at Unique today when the last installment of this popular serial will be presented, together with a Fox comedy feature entitled "Biff Bang" with Chas. Conklin and hand of fun makers. Also scenic picture "Stolen Honor" Monday.

## GAITY THEATRE SHOWING FRANKLIN FARNUM FOR LAST TIME

Tonight at the Gaity will be the last opportunity to see Franklin Farnum in the "Scout Car," which is positively one of the finest comedy dramas produced to date. "Anchors' Widow," a rollicking two-part L-Ko comedy, will also be shown.

Tomorrow night and Saturday, "The Bull's Eye" and "The Great Divide" will be shown.

## WAR NOTES

The Lithuanians, according to an official despatch from Paris, have declared through their representative in France their wish to remain independent of Germany.

Labor leaders in France have not lost all hope of reaching an agreement with the American mission on the subject of an international conference, which would include German delegates.

The American casualty list today contained seventy-six names, including twenty-one dead.

## H. H. McKee of Fredericton Dead IN WAR HOSPITAL

Fredericton, May 9.—Harry H. McKee, formerly of this city, youngest son of the late S. H. McKee, died in hospital on May 2 as the result of being gassed in action in France on April 23. He was an undergraduate at U. N. B. some years later and was associated with his father in business. Subsequently he went west and enlisted in western Ontario.

He is survived by two brothers, Col. S. H. McKee, C. B. G., now in command of a Canadian hospital overseas, and A. H. McKee of the department of railways and canals, Ottawa; also by three sisters, Mrs. J. H. Robinson and Mrs. Thomas L. Fowler of Woodstock; also his mother, his wife and one daughter, all residing in Fredericton. His wife formerly was Miss Minnie Adams of this city.

## RUSSIA DEMANDS RECALL OF AMBASSADOR REPRESENTING FRANCE

Moscow, Saturday, May 4.—(By the Associated Press)—The recall of Joseph J. B. Nolens, French ambassador, demanded by Foreign Minister Tchitcherin because of statements said to have been made by the ambassador.

"The statements made by M. Nolens," says the note from the Soviet foreign office, "in the tragic days of Russia's living wrongs hardly can be conducive to friendly relations between the French and Russian peoples. The representative of the French government is aggravating the relations between France and Russia and cannot be tolerated within the limits of the Russian republic."

"The government of the Russian Federation," the note continues, "expresses the conviction that M. Nolens be immediately recalled by the government of the French republic."

## MRS. MATILDA CAMPBELL

After illness of about two years, Matilda, wife of Peter Campbell, passed away at her home in Bloomfield, Kings county. Although so long ill and failing, her death came unexpectedly and has cast a gloom over the community. Very great sympathy will be felt for her husband, also in poor health, and well-known as a land surveyor, with whom she had lived not far from half a century.

She was born at Remond, Donegal, Ire., daughter of John Gamble and daughter of the late Rev. Wm. Gamble, D. D., of the Reformed Presbyterian Church. The funeral was held at Titusville on May 7, leaving the house at 1 o'clock.

## BOHEMIANS WANT ENTENTE TO WIN Czech Leaders Accused of High Treason by Count Cernin—Leader New in Exile

Even the leading statesmen of Austria have to admit the growth of the discontent in their empire. Early in April Count Cernin delivered his famous speech in which he accused M. Clemenceau of having made proposals of peace to the Central Empires, thus drawing from the French premier his retort, "Cernin has lied." In the same speech Cernin referred to the allies as displayed by the Czechs towards the Austrians. He accused the people of Bohemia of being traitors to the allies in order that their country might break away from the Austrian Empire. Copies of Count Cernin's speech have been received by way of Amsterdam, and it contains some very significant passages.

"What terrible irony it is that they who our brothers and sons are fighting lions on the battlefields, and millions of men and women at home are heroically bearing their hard lot, certain leaders of the people are in negotiations with the enemy, and are seeking to bring about a peace which would mean the end of the struggle for the independence of the Czechs."

He said that he was not a man like him whose attitude served to bring about the termination of the war. He said that he was not a man like him whose attitude served to bring about the termination of the war. ## HELP!

Might we ask the advertisers in the Times-Star to let us have their ad. copy not later than 6 o'clock the night before the day on which insertion is desired?

The crush of advertising, which the Times has been carrying the last few months, makes a call for HELP on the part of the business office an urgent necessity.

It's hardly necessary to state the value to YOU of this feature, as the earlier the paper is out, the larger the sale—hence, an increased market for you.

It also means that your advertisement will receive the best of attention as regards typographical treatment; will be dressed in the way your PUBLIC SALESMAN should be dressed. Best work, of course, can't be done in a rush, and neither you nor THE TIMES is satisfied with a poorly dressed ad.

The unfortunate fact that quite frequently advertisements have to be omitted from THE TIMES because of late copy, prompts this S. O. S. call, and really your own best interests would demand that it be heeded.

A Necessary Improvement—No Longer Necessary for Parents' Consent in Case of Boys of 18

Melbourne, Australia, May 9.—(Via Reuter's Ottawa Agency)—The recruitment in Australia has been the best in nine months. The federal government has decided to abandon parental consent for enlistment. Minors of eighteen years of age may now enlist on presentation of their birth certificates, but will not be called into active service until six months later, not drafted until they are nineteen.

## GERMANS BEAT LINE SLIGHTLY AT ONE POINT

(Continued from Page 1)

"Local fighting took place yesterday at Dieppe, in the course of which we captured thirty prisoners. During the night further progress was made by us between the Somme and the Oise. Our new positions in this sector were improved. Several prisoners were taken by us."

"Hostile raids were repulsed in the neighborhood of Lens and Merris. The enemy's artillery developed no activity during the night in the Albert sector."

French Statement.

## PARIS, MAY 9.—The French official statement reads:

"Spirited artillery fighting occurred last night north and south of Arras. German patrols attempting to approach our lines in the region of Camille Stagnan were repulsed. There is nothing to report from the remainder of the front."

American Patrol Ambushed.

With the American Army in France, May 9.—(By the Associated Press)—The American patrol on the Toul sector fell victim to silent enemy ambush some time last night. The Germans employed bayonets and the butts of their rifles. The Americans went out early in the evening and nothing was reported until the remainder of the night. It was not until about 11 o'clock that the patrol was discovered. The enemy shot was fired during the encounter.

## ITALIAN FRONT.

London, May 9.—Two successful raids in the last week with the capture of a few prisoners and also several destructive artillery bombardments were recorded in an official statement issued last night on British operations on the Italian front.

## MATTER OF RIGHT TO TITLE OF "DOCTOR"

Montreal, May 9.—Aime Poirier, a medical practitioner, of St. Polycarpe, Que., who was fined \$50 by Magistrate Cusson some time ago for having inscribed the title "doctor" on his professional cards, and on his office door at St. Polycarpe, because it was held that he had not the right to this title as he was not a member of the College of Physicians and Surgeons of the province of Quebec, yesterday obtained from Mr. Justice Lamont the issue of a writ of certiorari against Magistrate Cusson, and the merits of the case will be argued on May 20. The petitioner contends that as he graduated as a doctor of medicine from Laval University he was within his rights in assuming the title "doctor" and he asks the court to maintain him in his contention.

## COMPANIES STILL RELATIVELY LOW.

Montreal, May 9.—The Dominion Steel Corporation's figures of coal output continue relatively low, and March failed to show improvement, as compared with February. In February the production was 287,000 tons; in March 272,000 tons. In March, 1914, the production was 301,887 tons, and in March, 1915, 364,542 tons. Labor shortage and scarcity of shipping were the main factors.

## WAR GARDEN ACTIVITIES

The carload of seed potatoes which the War Gardens Association brought in the last of the week, is being rapidly absorbed, and it may be necessary to get another lot sent down. The largest number taken by any individual was six bags. These were for six lots on the Manawagonish road, a similar quantity was procured for the gardening operations in the Thistle Place, Westmorland road.

There has been quite a large demand for seed potatoes from East St. John members. Fertilizer is also in great demand, and all requests for such are being rapidly supplied from the association office in Union street. A telegram received by Supt. McIntosh states that the supply of small garden seeds will arrive here tomorrow. There has been considerable enquiry for these seeds.

The association has still some lots on hand that have not been taken up.

## THE SHIPBUILDING

London, May 9.—(Via Reuter's Ottawa Agency)—Publication of an admiralty statement on merchant ship construction, shows that for the first three months in 1918 there were 220,280 tons completed in United Kingdom yards and 344,327 tons in Allied and neutral countries. The respective totals for the whole of 1917 were 1,168,474 and 1,774,812.

There were 111,633 tons, completed and entered for service in United States yards last month compared with 163,674 in March, and 26,598 in January.

The year's completion to April 30 was 1,212,287 tons, showing a very large progressive increase since April 30 last year, when the total was 749,814 tons.

All the foregoing figures are in gross tons. It is pointed out that last month's output was achieved notwithstanding a very large increase in repaired merchantmen, amounting to 40 per cent, since January.

Carl Glesner, publisher of the Missouri State Journal, was given a five-year jail term for espionage.

## PERSONALS

Mayor Hayes left last night on a trip to Toronto and will be absent about a week.

The condition of former Commissioner J. V. Russell is slightly improved today, and he is expected to leave the St. John Infirmary this afternoon.

Mrs. Kathleen Furling-Schmidt left last evening for Boston.

## WILLIAM G. WOOSTER

Chas. W. Smith yesterday received the sad news of the sudden death of his brother-in-law, William G. Wooster, in Calgary. It came as a great shock. A young man of sterling qualities, esteemed by all with whom he came in contact, his death was a great loss to the community. The sympathy of the community will go out to the bereaved widow and relatives in their sad affliction. Mrs. Wooster is an only sister of Mrs. Chas. W. Smith, 189 Duke street.

## STILL TRY TO KEEP BOYS ON FARM.

Montreal, May 9.—The Chamber de Commerce approves of the movement on the part of Ontario farmers to try to keep the boys on the farms, instead of accepting conscription without a protest, and a delegation from the agricultural committee of the chamber will join the Ontario farmers' delegation to Ottawa on May 14. A resolution was unanimously passed by the Chamber de Commerce as follows:

"That the government of Canada be urged to free Canadian farmers from all military obligations, at least until after the harvesting, owing to the urgency of food production, so that the Allies may be victorious."
