informing them of the home-coming. These husbands arrive looking as spick and span as when they marched away to the war, for the men are selected from the regiments which have been moved to the rear of the battle line to give the soldiers a chance to clean up and receive fresh uniforms. It is expected that later whole units will be given holidays, and the soldier in the trenches, according to one officer just returned from the front, has no rosier anticipation than the prospect of an afternoon at a football game followed by the evening at a music hall. Few people besides physicians realize the importance of keeping the food contents of the stomach free from acid fermentation. Healthy, normal digestion cannot take place while the delicate lining of the stomach is being inflamed and distended by acid and wind—the result of fermenting food in the stomach. To secure perfect digestion, fermentation must be stopped or prevented and the acid neutralized. For this purpose, physicians recommend getting a little bisurated magnesia from the druggist and taking a teaspoonful in a little hot or cold water immediately after eating. They recommend bisurated magnesia because it is pleasant to take, has no disagreeable after-effects and instantly stops fermentation, neutralizes the acid and makes the some acid, bland, sweet and easily digested.

The regular use of bisurated magnesia —be sure you get the bisurated, as other kinds of magnesia are of little value—is an absolute guarantee of healthy, normal digestion, for it overcomes and prevents that acid condition which alone is the cause of trouble. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

# BEECHAM'S

the Hair Soft, Brillant, Lustrous and Fluffy.

Better than all the so-called "hair tonics" in the world is a simple old-fashioned home recipe consisting of plain Bay Rum, Lavona (de Composee), and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 6 oz. Bay Rum and 1-2 drachm Menthol Crystals\* Dissolve the Crystals in the Bay Rum and pour in an 8 oz. bottle. Then add the Lavona, shake well and let it stand for an hour before using. Apply it by putting a little of the mixture on soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair delightfully soft, lustrous, and fluffy. To stop the hair from falling and to make it grow again rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and morning. A few days' use and you will not find a single loose or straggling hair. They will be locked on your scalp as tight as a vise. Dandruff will disappear and itching cease. You will find fine downy new hairs sprouting up all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you the above. The prescription is very inexpensive and we know of nothing so effective and certain in its result. will quickly, safely and certainly right the wrong. This famous family remedy tones the stomach, stimulates the liver, regulates the bowels. Beecham's Pills cleanse the system of accumulating poisons and purify the blood. Their beneficial action shows in brighter looks, clearer complexions, better feelings. Try them, and you also will find that they
