CHEST OF SILVER FOR DR. SPROULE

Presentation at Sovereign Grand Lodge—The Opening Session—The L. O. B. A. Officers Elected

Fredericton, May 29.—The Grand Orange Lodge of British America opened here this afternoon with a large attendance of members from all parts of the province and Newfoundland. Grand Master Lieut.-Col. Scott presided.

The afternoon session was taken up largely with the drafting of committees, which are in session tonight preparing for the work of tomorrow. The reports of the grand master and grand secretary were presented.

A feature of the proceedings was an address by Sir Mackenzie Bowell. Although eighty-nine years of age, Sir Mackenzie takes an active interest in the work of the Orange order and today met with an ovation.

Hon. Dr. Sproule, M. P., speaker of the house of commons and past grand master of the Grand Lodge of British America, was honored by being presented with a handsome chest of silver plate. Hon. Dr. Sproule made a suitable reply. The presentation was made on behalf of the grand lodge as a token of appreciation of the efficient manner in which the past grand master had filled the office.

The report of the grand secretary contained some interesting data with regard to the growth of the Orange order in Canada during the past year. The increase has been the largest on record, eighty-nine lodges having been organized in the past year. The delegation from Toronto being particularly strong. Manitoba has nine delegates, Saskatchewan three, and British Columbia two.

In his annual report the grand master first referred to the grand lodge in New Brunswick and its prosperity. He referred also to the political situation in Canada and the defeat of reciprocity. A number of members of the Orange order, he said, had been honored with good positions in the new government, among them, Hon. Messrs. Sproule, Kemp and Hughes.

The No Tenure decree and the Lancaster bill were dealt with, as was the Manitoba school question. With the latter, the grand master said, he was not entirely familiar yet, but it had seemed to give general satisfaction both to the separate school supporters and the public school advocates. The government had done well in the marriage law question, and it must continue to do so.

Fredericton, N. B., May 29.—The Grand Lodge of Ladies Orange Benevolent Association continued its sessions here today. Forty-eight delegates from all parts of the province were in attendance. The time was largely occupied with receiving of reports of standing committees, and the finance committee showing that the association is in sound financial condition.

The grand mistress not being a candidate for re-election, presided at the election of officers, which took place at the afternoon session. Results were as follows: Right worshipping grand mistress, Mrs. John J. Turk, Vancouver (B. C.); Right worshipping grand, Mrs. Grace Akery, St. John (N. B.); Grand chaplain, Mrs. J. Miller, Ottawa (Ont.).

Grand secretary, Miss Kate Cudde, Toronto (Ont.). Grand treasurer, Mrs. R. Gordon, Toronto (Ont.). Grand lecturers, Mrs. Perkins, London; Mrs. Kinloch, Ottawa.

Grand director of ceremonies, Miss Kerr, Ottawa.

Representatives to Grand Orange Lodge of British America—Sergeant Kilpatrick, St. John; J. Forrester, Toronto.

The next meeting of the Grand Lodge, L. O. B. A., will be held in Ontario, having met in Winnipeg in 1911 and in Fredericton in 1912. Toronto has been selected as the place, but that is subject to change.

Right worshipping grand mistress, Mrs. Mary Cullum, of Toronto, retired after nineteen years in office, having been elected on the organization of the association. During her tenure of office, Miss Cullum has proved an excellent officer. Today a committee was appointed by the grand lodge to present to her a testimonial of general respect. The presentation will probably be made at the next grand lodge meeting.

Today, telegrams extending the greetings of the Young British and of Toronto and of Vancouver were received by the grand mistress. Fraternal greetings are to be extended by the L. O. B. A. to the Grand Orange Lodge of British America in session here. The installation of officers took place tonight.

Contrary to an expected decrease in the number of Chicago liquor licenses issued for 1912, through the reported intention of about 200 saloonkeepers to go out of the business, inspection of the books of the city collector shows that practically all of the 7,000 licenses of 1911 have been renewed.

WAS SO RUN DOWN COULD NOT DO ANY WORK.

Thought She Was So Far Gone Nothing Could Cure Her. MILBURN'S HEART AND NERVE PILLS Made Her Strong and Healthy.

Many women get run down, and are unable to look after their household duties, owing to their nervous system becoming unstrung, and when this happens, the heart starts to work in sympathy with the nerves. In Milburn's Heart and Nerve Pills is combined a treatment that will cure all forms of nervous disorders, as well as act on the heart itself. Mrs. F. McFadyen, Brookside, Sask., writes:—"It is with the greatest pleasure I write you stating the benefit I have received from using Milburn's Heart and Nerve Pills. This spring I was so run down I could not do any work, and one day a neighbor advised me to try your Pills. I told her that I thought nothing could cure me, as I was too far gone. But she told me to get a box of Milburn's Heart and Nerve Pills, which I did, and before I had finished them, I began to improve, and when I had finished the one box I was as strong and healthy as any person. Anyone who is suffering from heart or nerve troubles should take your Heart and Nerve Pills and they will soon discover their worth."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"CAGED DAUGHTERS" MANY

London Lecturer Has Letters From Hundreds of Unhappy Girls

London, May 29.—Miss Josephine Knowles is continuing her lectures on "Caged Daughters."

Since her last lecture she said she had received hundreds of letters from girls who were unhappy; who were living at home, and who were catered for in the way of food, clothes, and necessities, but were without the command of a shilling, and had no training or education fitting them to earn their own living.

It had been suggested that emigration on a large scale such as she had suggested was not a sufficiently drastic remedy. At any rate her solution, Miss Knowles declared, was based on sound common sense, for here in England there are a large number of superfluous women, and in the colonies men are wanting wives and unable to find them.

BEATS THEM IN JOINT DEBATE

P. J. Veniot Meets Dr. Landry and His Colleagues and Makes Them Regret It

Acadieville, N. B., May 29.—The largest meeting ever held in this parish took place last night. Some time ago P. J. Veniot, organizer of the Liberal party, on the North Shore, challenged Hon. Mr. Landry, minister of agriculture, to meet in joint debate in Acadieville, but the minister evaded the issue by calling a series of meetings to be addressed by himself and colleagues, and invited Mr. Veniot to meet them.

The first meeting was last night and, although called for the day of the Liberal convention in Gloucester county, Mr. Veniot left his county to come here and meet the three Conservative candidates. To say that he did not meet them in good style is but mild expression.

The only arrangement Mr. Veniot could make was to meet them at Acadieville. Colonel Sheridan to speak first, Dr. Bourque next, then Mr. Veniot for one hour, followed by the minister for an hour and a quarter with fifteen minutes reply by Mr. Veniot.

This was accepted as Mr. Veniot said he had come a long distance to meet them and would accept any and all conditions, since they were too much afraid to accord him the courtesy due an invited guest.

Colonel Sheridan found himself badly caught in his attempt to show how permanent bridges were now being built and charged to current revenue, when Mr. Veniot made him admit by the production of the accounts of bridges named that parts if not all were still being charged to permanent account. The colonel harped on the old government's conduct for half an hour.

Dr. Bourque spoke briefly and covered some of the same ground as Sheridan. During Mr. Veniot's speech the greatest attention was given, as he drove home point after point. With Dr. Landry's speech on the budget in one hand and the agricultural report in the other he showed where the minister made statements which were in direct contradiction to his report.

When called upon to say which was correct he (Landry) remained silent and even in his speech did not attempt to explain the unenviable position of a minister of the crown contradicting in a speech that which he gives as reliable in the printed report of his department.

Mr. Veniot made the charge that public moneys were being misapportioned on bridges and said that certain pay lists in Kent county had been stuffed by putting thereon the names of children ten years of age; that cheques for these amounts were issued and he defied the minister to name a date for a joint meeting at Acadieville at which he would undertake to name the parties implicated and prove his statements.

The meeting adjourned without the doctor accepting the challenge.

Dr. Landry spoke for over an hour, but never said a word about agriculture and religiously avoided Flemming's policy of immigration. He contented himself with repeating the history of the old administration.

In a reply of fifteen minutes, Mr. Veniot pressed home his point, that Mr. Robidoux, the federal member, hidden behind the crowd, attempted to interrupt to save the doctor by demand-

ing the production of the names and documents. He was called to continue when Mr. Veniot immediately produced the same.

The applause that greeted Mr. Veniot's production of papers clearly showed Mr. Robidoux that his prestige had taken a serious drop. If one were to judge by the

enthusiasm shown here the Liberals of Kent are sure of victory.
