Women's Council Plans To Assist In Winter Carnival

Tag Selling Committees Named at Yesterday's Meeting

Committee Arranges for Reception to Visiting Queens—Further Details of the Sportsman Show and Kennel Club Events.

Plans for the sale of badges for the international skating meet received much of the time at the meeting of the executive of the local Council of Women held yesterday afternoon in the Board of Trade rooms with Mrs. E. Atherton Smith, the president, in the chair. Members were enthusiastic in undertaking the full range of the badges.

Letters were received from the Moncton and Sackville councils and it was decided to postpone the provincial conference until later in the season because of stormy weather. Mrs. H. H. Pickett was named to replace Mrs. Richard Hooper on the committee to present resolutions at the conference, as Mrs. Hooper leaves for England on Saturday.

The matter of tag days for the coming season was spoken of and the recently appointed tag selling committee of the Council was asked to report on what number of tag days were expected to be arranged with a view to preventing too numerous street collections and running tag days too close.

As a convener of the committee appointed to interview the carnival committee concerning the sale of badges, Mrs. H. B. Peck reported that the Women's Council was asked to assume full responsibility for the sale of 60,000 badges of which the Rotary Club would take 1,000. Any surplus from the sale of badges would be divided equally among the Protestant and Catholic orphanages in the city. The badge committee, Mrs. H. B. Peck, Mrs. G. Wilford Campbell, Mrs. A. C. D. Wilson and Mrs. E. A. Young, was continued in office. Mrs. G. C. Poole and Mrs. J. H. Dooey were appointed to assist Miss Alice B. Estey in receiving returns from the sale of badges and the various business sections were given to conveners to have charge of the preliminary sale of tickets. Subject to the consent of those appointed, the business sections were divided as follows: West St. John and Fairville, Mrs. E. H. Young and Mrs. Ernest Waring; Prince William street and North and South streets, Mrs. A. C. D. Wilson and Mrs. A. M. Belding; North End, St. John, North C. W. Miss M. McCloskey convener; General street, Chipman Hill and Canterbury street, St. Vincent's Alumnae; Main street, Market square, Mill, Dock and Smythe street, the Daughters of Israel, Mrs. L. N. Harris convener; Britain street and Lower Cove Street, Mrs. James Christie; Hill street, St. John subdivision, C. W. King street and Sydney street, Mrs. S. Atherton Smith and Mrs. J. H. Peck; Charlotte street, Mrs. H. J. Sheehan; Union, Waterloo and Prince Edward streets, Mrs. J. D. Seelick; March road, Mrs. Stockhouse.

The greatest part of the work in connection with the sale of badges fall on the days of the meet when badges are sold at the park and it was hoped to have many hundred workers at that time.

Mrs. Richard Hooper had kindly offered the hospitality of her home to the badge sellers during the meet and it was suggested that the council should appoint a hostess to be responsible because of Mrs. Hooper's absence.

The Daughters of Israel at their regular meeting last night decided to assist the local Council of Women in selling badges for the International Skating meet in one of the business sections of the city. Mrs. J. N. Harris, the president, was in the chair and the meeting was well attended. The routine business of the society in connection with its philanthropic work was dealt with.

At the meeting of the committee last night the various preparations for the entertainment of the queens were considered. It is planned to meet Mrs. St. John and the other queens when they arrive here, probably on Monday, and proceed to the Royal Hotel. D. J. Corr, secretary of the council, said last night that he had arranged a suite for the other queens to stay at. A reception room has been secured and the Ladies Committee, which it is composed of the wives of members of the executive, will be in charge. An opportunity will be given at 5 o'clock on Tuesday afternoon for all the visiting queens to meet members of the local government and the city commissioners.

Captain K. J. Maclean, of the Salvage Corps, announced to the secretary yesterday that the local salvage corps men were planning to hold two open nights at their rooms for the benefit of any visiting firemen and he thought that these nights would probably be next Monday and the following Friday evening. Entries are still arriving for the skating meet and last evening Hilton Bellamy's entry form was handed in. The sportsman show, which is one of the big features of the week, will open in St. Malachi's hall, near King street, on Saturday and will continue for the entire week. It will be one of the largest shows of game animals, including moose, deer, bear, fish and forest scenes which has ever been attempted in the province.

The show will be open to children, accompanied by teachers, every morning at 9 o'clock, with motion pictures from 10 to 11:30 o'clock. In the afternoon there will be two shows, one at 1:30 and the other at 4:15 o'clock; also one show every evening commencing at 7:30 o'clock. All children will be accompanied at the show by parents, guardians or teachers.

The motion picture will show all the latest moose hunting, fishing and lumbering scenes in New Brunswick, including landing a forty-eight pound salmon in Restigouche; a wonderful fall picture of forest fire; picture of John River industries, including Grand Falls; pictures showing how the buffalo were nearly exterminated and how they are now protected; picture of Canada's new highways showing the necessity of good roads and modern methods of construction; famous pictures showing fishing on Nipigon river; a splendid film showing hydro-electric energy is produced and transmitted in Canada.

The habits of the game animals of New Brunswick will be explained by experienced guides during the show.

The New Brunswick Kennel Club will be holding its show on Tuesday and Thursday evenings in the Market building. On Tuesday terriers will be

BUYING CARNIVAL DURING THE WINTER SPORTS WEEK HERE

Retail Merchants to Give Citizens and Visitors Opportunity to Combine Business with Pleasure.

Preparations for the big carnival week are going with a swing and every meeting of the executive in charge of the affair brings additional attractions to the already extensive program planned for the great occasion. Along with the amusements a buyers' carnival is planned, the members of the Retail Merchants Association and this event will give visitors from outside places a grand opportunity to combine business with pleasure.

The merchants of the city, who are members of the association, have arranged to hold a whole week of bargain days. Special rose colored price cards, which will be used by every merchant of the association, have been prepared with "we are participating in buying carnival week under the auspices of the Retail Merchants' Association" in black letters on the top and then a space for the price of the article to be sold. These cards have been prepared in two sizes and they should prove a valuable aid to visitors in locating the stores where the buyers' carnival is being conducted. This banner event will continue for one entire week under the direction of the committee composed of F. W. Daniel, J. H. Marr and S. C. Young.

The merchants yesterday afternoon decided to uphold the idea of two half holidays as proclaimed by the city council. The members of the association have planned to decorate their stores especially for the big week and in addition the poles in both sides of King street will be decorated and efforts are being made to have several other streets follow in line.

In connection with the parade the latest reports show that everything is moving smoothly and it is expected that one of the big features of the week, H. Everett Hunt is in charge of this and he has already secured the torches for the occasion.

PRINCE TIT TIT BRINGS \$30,000 AND SETS NEW ORLEANS RECORD

New Orleans, Feb. 7.—The sale of Prince Tit Tit, Mace Goldblatt's three-year-old horse, which brought \$30,000, is announced, establishing a new high record for the New Orleans race tracks. John McKee, the purchaser, announced he would ship the horse to Tijuana Tuesday to participate in the March Derby. Prince Tit Tit will run for the Meadowbrook Stables.

Mr. Stanlows sought his information from presidents of women's clubs and federations all over the county. He didn't write to the college clubs or high schools, or he might have learned that bobbed hair is no longer the thing. That, at least, seems to be the opinion of the growing women, no matter what the ultra-flapper may think about it.

Most of the objections by the older women to bobbed hair is what they term its lack of dignity all right, but particularly pretty girls, but rather of form for her elders.

"I am not in favor of bobbed hair for women," wrote Mrs. W. A. McIntyre, treasurer of the North Dakota Federation. "It has been a pretty fashion for a long time, but it is not dignified and a woman to be beautiful and womanly must have dignity."

Miss Lila Elizabeth Kelly, president of the Boston Rusklin Club, objects to bobbed hair, because of its standstill. Natural hair differentiates. It is part of the individuality. It expresses personality in every way."

Mrs. Eugene M. Stevens, president of the Cherry Chase Women's Club, Cherry Chase, Md., wrote that "not a male I know has a good word for bobbed hair, except in the case of little sisters, who are thereby enabled to get down to breakfast earlier."

There is general disapproval of many hair, and approval of a clean-cut cut which conforms to the natural lines of the head, thereby expressing individuality, and many of the women say that a hair net is invaluable in attaining a "sculptured coiffure."

We might add that we carried a very large stock in our wholesale department, therefore can only put on sale a department at a time. Rather than undertake the expense of selling wholesale to travelers we have decided to sell the stock through our retail, giving the

BOBBED HAIR LOSES WOMENS VERDICT

Lacks Dignity, the Majority Say, in Reply to Artist's Questionnaire

Time Saving is Admitted—Expressionless as a Derby Hat, Says One—It Standardizes, Asserts Another—Incongruous for Older Women.

New York, Feb. 7.—Bobbed hair having passed the peak of its popularity, as was at one time, it is apt to be in a state of transition, says Mrs. Stanlows, artist and motion picture director, as decided, after a perusal of more or less heated replies to a questionnaire that bobbed hair is no longer the thing. That, at least, seems to be the opinion of the growing women, no matter what the ultra-flapper may think about it.

RUM RUNNING ANGERS BRYAN

How, He Asks, are We to Trust Any Nation That Defies Our Laws?

Washington, Feb. 7.—William Jennings Bryan in a formal statement issued tonight deprecates the rum running of the three-mile limit and asserts that the United States could enforce prohibition against those who hoar about the three-mile limit and those who bring their stores of liquor into our harbors.

What reliance can be placed upon any nation that puts her interest in the liquor traffic above her respect for the laws of a friendly nation? asked Mr. Bryan, commenting upon the liquor-laden ships of foreign nations which anchor outside the three-mile limit.

Antiquity to Slave Trade. "The right of the United States to fix the terms and conditions upon which foreign ships can enter our harbors can hardly be disputed, unless a nation loses its sovereignty, when it goes dry," Mr. Bryan said.
