

# YARMOUTH STEAMSHIP CO.

The most direct  
Route between  
Nova Scotia and  
the U. States.

Sea Voyage  
15 to 17  
hours.

Summer Service, five trips per week.

Winter Service, two trips per week.

(For time table see newspaper, or apply to offices of the Company.)

The handsome, safe and swift Clyde-built steel steamers

"Yarmouth," 2,200 horse power, 1,432 tons,

— AND —

"Boston," 4,500 horse power, 1,700 tons,

ply on the Yarmouth and Boston route. These steamers are elegantly fitted, lighted throughout by electricity, and have every convenience necessary to the comfort of passengers.

Close connections made with the Dominion Atlantic Railway for Halifax and all points in N. S.

Steamers of the Y. S. S. Co. connect with St. John, Yarmouth and Halifax and principal ports along the shore.

L. E. BAKER, Managing Director,

YARMOUTH, N. S.
