House Closed

The House of Assembly closed on Saturday, June 5th after a lengthy session of nearly two months. The big Nfld. Products Corporation Bill was passed after such discussion and with some slight amendments, while a number of other measures were dealt with. The fishing business, the recognized mainstay of the country, received but scant consideration, comparatively speaking, while the outputs and the output people have again been given the "crumbs". The usual grant of \$25,000 was voted for the St. John's Fire Dept. and yet Bay Roberts remains still without even a bucket.

The fishermen of Newfoundland can see now very clearly what interest the "hob-nobs" of the Upper House have in their welfare. These gentlemen amended the Labrador Codfish Bill so much that Mr. Morine, its introducer, considered it of no value to the fishermen, and when it was sent back to the House of Assembly he moved that the Bill be given a six months' hoist.

The Nfld. Patriotic Fund amounts to over \$90,000. Some of this money has already been distributed to the families of the members of the 1st, 2nd and 3rd Nfld. Contingents, our local Reservists, the families of our former outports, who belong chiefly to the outports, are also entitled to help from this fund. We would strongly advise the families of our local Reservists who may need assistance, but who have not so far received a receipt of any, to make application to the Patriotic Fund. Their share of the money. The fund is intended for both our land and sea forces.

Mignonette Drives Away Flies

Mignonette has been discovered as a shrub of flies, and in rooms where the flies are set no fly will linger for a moment. Now is the time to sow the seeds, and for early blooming the pots must be subject to gentle heat. Instead of flypapers and horrible sticky brown mixture left about a room in glass dishes, what a blessed resource as a deterrent to the irritating fly is the sweet, wholesome flower of mignonette.

Apology

Bay Roberts, June 17, 1915. We, the undersigned, beg to state, for the benefit of those concerned, that any statement we have made against certain members of this community are absolutely without foundation, and that we know of nothing which could in any way cast the slightest shadow of doubt on their characters.

HARRY SNOW, WALTER SNOW, HUGHIE SNOW.

Re above statement. In view of the fact that these statements were not made wholly on the boys' own initiative, and that apologies have been received from their parents, this matter, which is a disgrace to all who assisted in embellishing and circulating it, will now be dropped, let us hope, by everyone, for good.
