BRILLIANT SCENE IN THE BUILDINGS

Visitors From the East Were Loud in Their Praise of the Capital

(From Saturday's Daily.) Appreciative comments were heard on all sides last evening, as the visitfacturer's Association viewed the it is said. splendid illuminations of the stately parliamentary pile, and one of the ladies, who was evidently of a poetic ladies, who was evidently of a poetic showed he reversed and set his air PRIZE WINNERS AT The comparison was not inapt, for the who were on the wrecked train, arrived vivid green of the maple leaf design here to-day. None was injured. Third surmounting the lettering Canada Baseman Stoffer assisted the physical over the main entrance, combined with Welch and Catcher Enslee dug out ten the glowing electric bulbs outlining the of the bodies recovered. They rescued front of the building against the picturesque grey background, did indeed, when viewed from the Empress, sugrest an emerald in an opal setting. The visitors were keenly alive to the honor hown them, and not one of the two hundred or more who were present but will carry away a favorable impression of Victoria which time will

That informality which is inseparable from the entertainment of a large party of travellers characterized the the visitors were in evening dress, others were quite unembarrassed in tweed suits. The ladies of the party were equally informal and although many beautiful evening gowns were in Arthur Levy, in a "20" Ford, collided evidence others enjoyed themselves in the galleries wearing their travelling costumes. From an early hour the galleries were filled with interested spectators, and the scene as viewed from above presented a beautiful well known lecturer on the Hawaiian kaleidoscopic picture.
