weight Fight Before Lon-

don Audience.

BEAT JIMMY BRITT

In the seventeenth round Summer with a perfect, tremendously hard right cross, hit Britt on the left side of the jaw. Had the blow been an inch or two lower the American would surely vassing the situation with the idea of and wore an ominous glaze. He tot tered for a second, but clenching his swollen lips he seemed by strength of mind alone to recover his great cool-ness, and by clinching and leaning over lasted out the round. It was a wonderful instance of

strength of purpose, and most men would have been forgiven if they had failed to survive such a terrific onslaught as that which Summers made. Britt received many blows nearly as hard as that during the contest, but his ring generalship was as fine as any boxer ever showed. He was always in the centre of the ring forcing Summers to the ropes, and always made the pace of boxing slower after receiving one of Summers' hit, which seemed half as hard again as any of those delivered by Britt

The American's best hit was a sort Marchant on the subject of Free Trade.
