SENSATIONAL SUICIDE.

Preparations. A double suicide which occurred re

cently in Luetzow Strasse, one of the main streets of the west end of Berlin, has created a profound sensation.

Two sisters, named Gutknecht, one 43 and the other 45 years of age, took a

room one afternoon in a well-known per sion. One was a teacher and the other a portrait painter, and things have gone ill with them for some time past. The excuse they made when the lady of the house asked for money on account made her suspicious, and hearing excited talk in the room later in the evening she tried get in, but found the door locked. Meanwhile the sisters had excited the ttention of the people in the street by clambering on the windowsill,

A crowd collected, and fearing what might happen if the ladies fell three stories into the street, someone suggest ed spreading out some beds on the pave ment. Beds not being forthcoming the house porter brought out a carpet, but the crowd had not the courage to hold up the four corners.

The police telephoned for a fire escape,

but the fact that the ladies' door could be broken in was overlooked. An anxious quarter of an hour passed, during which the sisters manifestly hesitated when at last the fire escape appeared. One sister then jumped out of the window, and the other immediately fol-

lowed her. They fell on the granite
