ARE YOUR EYES TO BLAME?
Don't try to stop pain until you have
found the cause. Get at the root of
the trouble first, and remember pain
is only nature's message that some-
thing has gone wrong.
"ake headache for instance; do you
suppose for a minute that the table-
t or powder you take to relieve it is
any sense a remedy? You merely drive
the nerves so that they no longer
give their warning.
One of our headaches are from defec-

well as our business to provide you
with glasses that stop the suffering
once and for all, by correcting the
cause.
