DIED. WOLFE—On Sunday, June 30th, after a lingering illness, Harry, son of Mr. and Mrs. James W. Wolfe, of this city, aged 19 years, leaving his parents, five brothers and two sisters to mourn. The funeral will be held on Wednesday afternoon at 2:30 o'clock, from his late residence.

Why Not Swap Cannons. (Detroit Free Press) Just to show our cordiality and in order to establish enduring peace by harmonizing these differences, we offer a suggestion touching these weighty matters of state. Why not have Mayor W. B. Thompson of Detroit, offer Canada a trade-off? In front of our city hall are two British cannons captured in the battle of Lake Erie. Why not an exchange? Of course the Bunker Hill cannon, being of brass, is worth more than our Detroit trophies, which are of iron. Old brass brings about 15 cents a pound, and scrap iron will not sell for more than half a cent. Herein might arise a cause for tedious correspondence, but while we're about it, let us suggest a short cut for this also. The Detroit Free Press would nominate Ad. Aaron Meretsky, of Windsor, as sole arbitrator to make the appraisal of the two pieces of ordnance and to determine the difference in their valuation. Mr. Meretsky is a junk dealer, and although his selection would come up on Canada the absolute control of the award, we promise that his decision will be accepted as final.

GREEKS GET A NEW PITCHER

The Marathons will go on tour this morning with a brand new pitcher who, according to all reports, is to be the wonder of the league. He is Corey, who was on the roster of the Toronto Eastern league team this season, and as a heaver of class and distinction is said to be the one best bet. Mr. Corey arrived yesterday, but will not get into action until tomorrow when the Greeks play two games in Houlton. This happy lot's strongest possible team is the field on all occasions this week and the fans are looking for them to get more than an even break in their games. The local attraction for Friday and Saturday will be Houlton, and there should be very large crowds in attendance at both games. Joe Tarbell leaves tonight for Cleveland. It had been hoped that he would be able to stay until after the home week, but the management of the Cleveland team have ordered him to report at once. The Marathon management, however, are not felt as keenly as would otherwise be the case. Tarbell is, however, popular with his team mates and that fans made by all will join in heartily wishing him the best of luck in the larger field.
