GUNMEN TELL STORY OF MURDER OF ROSENTHAL

Rose's Story Further Substantiated by Evidence

WEBBER AND VALLON

Former Quotes Becker as Having Been Willing to Commit Crime Himself--Mayor Gaynor Aware of Police Lieutenant's Corruption in March

New York, Oct. 14.—Bald Jack Rose's story of how Police Lieutenant Charles Becker plotted the murder of Herman Rosenthal was corroborated on the witness stand today by "Bridgie" Webber and Harry Vallon, self-confessed accomplices in the crime.

Bridgie Webber went further. He swore that the Police Lieutenant had told him that on the night of the murder he would have killed Rosenthal himself if he had seen him.

Both witnesses told their stories to that of Rose's prompted John V. Hart, attorney for the defence to ask Vallon how many times he had rehearsed the story.

"Never," said Vallon. "Both witnesses told their stories only and could not be shaken of cross-examination. Both said they had been promised protection but not if they would testify against Becker."

Attorney McIntyre, Becker's chief counsel, tried vainly to get them to admit that they had a motive of their own for doing away with Rosenthal but each stuck to his story that they had taken part in the murder plot at Becker's behest. Both were awaiting Sam Schepps.

That the attention of Mayor Gaynor had been called to the matter as early as last March to Becker's alleged partnership in Rosenthal's gambling house, was one of the features of the day's testimony.

ORDER SIGNED FOR THE DISMISSAL OF MAGISTRATE KAY

Removed from Office Following Investigation of Charges Against Him—Chipman A. Steeves Appointed in Place.

Special to The Standard. Moncton, Oct. 14.—It is definitely stated here that the order has been signed for Magistrate Kay's dismissal from office and the appointment of Chipman A. Steeves, barrister, of Moncton, as his successor.

It will be remembered that charges were made against Magistrate Kay and that Attorney General Grimmer was appointed a commissioner to investigate them. Hon. Mr. Grimmer's report has been filed with the government and in it his judgment was that none of the charges have been proved, and he recommended that Magistrate Kay should be dismissed from office.

The appointment of Mr. Steeves is regarded with general favor here. He is a prominent lawyer and it is believed will discharge the duties pertaining to the office of police magistrate and commissioner of the civil court, in a most satisfactory manner. One passenger

GREEKS WILL SOON BEGIN HOSTILITIES

Business Completely Suspended in Athens and People Believe that War is Inevitable.

MORE FIGHTING ON THE FRONTIER.

Germans Fear General European Conflagration Will Follow War.

Podgoritz, Oct. 14.—The bombardment of the town of Tuzhi was resumed this morning after failure to agree on the terms of surrender. The Turkish commander demanded that the garrison soldiers should be allowed to retreat to the hills and to 40 miles to Scutari.

Athens, Oct. 14.—Everything is ready at the frontier for the movement. There is no longer doubt in the minds of the Greeks, that war with Turkey is inevitable.

The stir and bustle caused by the mobilization of the army has been followed by complete calm. In Athens all business has stopped, the houses and places of amusement are closed, Athens is practically empty, the only noticeable activity is that of ambulance organizations.

Belgrade, Serbia, Oct. 14.—An official version of the fighting on the frontier reports that at five o'clock this morning 3,000 Turkish troops attacked a body of Serbian troops near Ristovaj. The Turks fired a volley killing two men and wounding four. The Serbians returned the fire and shortly were reinforced from Vrabia.

Alleged Oct. 14.—The dispatches from the island of Crete to the Greek Chamber of Deputies today, had heretofore not been admitted to participate in the debate.

Montreal, Oct. 14.—The Star's London cable says: The Chancellors of Europe seem reluctantly convinced that a general war in the Balkans is now inevitable. Certainly the pictures and the news reaching London today from Constantinople and other Turkish centers prove that enthusiasm amounting to fanaticism to religious delirium, is animating Turks of all classes, who are parading the streets, joining the regiments in shouting defiance and ridicule to the Balkan states.

The favorite cry is "Burn the Bulgarians, Greeks, Slavs and Montenegrins," shouted in unison with frantic excitement.

At the crowds pass the British Embassy wild cheers are given. Feeling is very different in Germany. There is a campaign of almost unrelenting attacks on the stability, journals of war parties declare that Great Britain is engaged in a policy of "halfheartedness" in Germany falling an easy prey to Anglo-French domination.

The Times today rebukes Chancellor Lloyd George in its most dignified fashion for saying on Saturday that if war ensued he hoped a result would be that the bounds of freedom and of good government would be extended.

"This," says the Times, "will certainly be quoted abroad as an ill-concealed example of taking sides. The truth is that the whole affair of Turkey is determined to carry out the reforms which have been promised by the Sultan and his advisers.

Object to Intervention. Constantinople, Oct. 14.—In its reply to the powers today declining to allow any foreign intervention in the matter of reforms in Macedonia, the Turkish government contends that one of the chief causes which has hindered the various attempts to ameliorate the international situation in Macedonia in the provinces is the state of insecurity brought about by "criminal outrages of all kind committed by assassins."

Turkey's reply which was handed to the Austro-Hungarian ambassador thanks the European powers for their friendly interest but declares that Turkey is determined to carry out the reforms without interference. It protests that the Porte has been assailed by the same humanitarian and peaceful intentions as the powers.

It hints that any stipulations of the Berlin Treaty have been put into execution not in accordance with the letter or the spirit which dictated

ROOSEVELT ASSASSIN

Colonel's Assailant Believed to be Insane

DIDN'T STOP MEETING

Third Term Undismayed by Slight Bullet Wound, Proceeded to Milwaukee Auditorium to Deliver Address--Miraculous Escape--Showed Remarkable Nerve.

Milwaukee, Wis., Oct. 14.—Theodore Roosevelt was shot and slightly wounded tonight as he was leaving the Gilpatrick Hotel for the auditorium to make a speech. The wound was superficial and the colonel went on to the hotel and began his speech after he had seen the assailant arrested and taken to the police station.

The man was seized and held until policemen came up. A mob surged around the prisoner, who apparently is mentally upset on the subject of Roosevelt who is running for another term as president. The man who is the assailant and the colonel went on to the hotel and began his speech after he had seen the assailant arrested and taken to the police station.

NO HOPE FOR THE CREW OF LOST YACHT

Steamers Abandon Hunt for Survivors of the Bernadette, Probably Foundered Near Rimouski.

TWO VESSELS MADE THOROUGH SEARCH.

Laurentian and Lady Evelyn Find No Traces of the Men.

Special to The Standard. Ottawa, Oct. 14.—All hope must be abandoned for the safety of the crew of the yacht Bernadette, according to a telegram received today by Hon. J. D. Reid, Minister of Customs, from Capt. May, of the customs cruiser Laurentian, which was ordered by the minister to search the river below Rimouski, for any traces of the missing men.

The wire reads as follows: "Rimouski, Oct. 14th, 12. "It is mutually agreed that nothing further can be accomplished for missing crew of the lost Bernadette." The Hon. Dr. Reid also received the two following telegrams from Capt. May, which show that a thorough search was made by the steamers Laurentian and Lady Evelyn: "Rimouski Wharf, Oct. 10, 12. "Will carry out minister's instructions. It has been reported to me that yacht had 4,000 pounds ballast and foundered some seven miles off LaSalle Bay in westerly gale. Lady Evelyn searched for yacht all last Tuesday."

"Cape Chat, Que., Oct. 9. "Laurentian and Lady Evelyn have been on search for yacht all day. Both vessels anchored here for the night. Will resume cruise tomorrow and call at Rimouski tomorrow evening 11 o'clock for further instructions."

Winnipeg, Oct. 14.—Receipts of grain at Winnipeg since Saturday reached the prodigious total of 2,277 cars inspected, and 1,300 cars in sight this morning, which by night will probably exceed 1,500.

The inspection means that at least 2,500,000 bushels of grain were on the market at Winnipeg today, a greater showing probably than could be recorded of any grain centre in the world.

SUBSTANTIAL SUM SPENT BY CANDIDATES

Wilson, Harman and Underwood Disposed of \$400,000 in Fight for Democratic Nomination.

WILSON'S SHARE MORE THAN HALF.

Clapp Committee Learns that Nomination Cost Him \$208,193.

Washington, D. C., Oct. 14.—Urduards of \$400,000 was expended in the efforts by Governor Woodrow Wilson, Governor Judson Harman and Representative Oscar W. Underwood to secure the Democratic presidential nomination this year, according to testimony today, presented to the senate campaign contributions committee.

William F. McCormie, who managed the Wilson campaign and his aide, William McAdoo, accounted for \$208,193.

Of this, \$85,800 was contributed, according to Mr. McCormie by Cleveland S. Dodge and Princeton friends. Questioning developed that the friends were Cyrus H. McCormick, of the International Harvester Co., David B. Jones, Thomas D. Jones and Edward W. Sheldon, all of whom Mr. McCormie said had been trustees at Princeton when Mr. Wilson was president of the university.

Of the \$150,948 expended in the interest of Governor Harman, Hugh L. Nichols, Lieut. Governor of that state, told the committee that \$77,000 was contributed by Thomas Fortune Ryan. Mr. Ryan also supplied \$35,000 of a fund of \$50,000 collected for the advancement of Representative Underwood's candidacy. Mr. Ryan will be a witness before the committee this week, probably tomorrow.

Alton B. Parker, Democratic candidate for president in 1904, gave the committee his basis for the charge made on the stump in that campaign that financial interests had organized a committee to secure funds and give support to the Republican ticket. He said that the late Colonel Daniel S. Lamont gave him the information.

GIANTS WIN THE SIXTH GAME OF WORLD'S SERIES

NEARLY LOST DYNAMITE

Neither Team Scored After the Second--Results Flashed by Wireless to U. S. Fleet--Toss Decides Remaining Games Will be Played in Boston.

Indianapolis, Oct. 14.—While James B. McNamara and his accomplices repulsed the on-rushing Boston Americans today and sent them back to defeat by a score of 5 to 2 in the sixth game of the world's series. A victory for the Red Sox would have carried with it the title of world's champions of 1912 and when "Rube" Marquard walked the Polo grounds this afternoon with his second win over Boston tucked away in the sleeve of his pitching arm, New York took hope that the Giants might be able to capture two more games from their adversaries and bring the premier title in baseball to this city.

The world's series now stands: Boston, 3 games won; New York, 2 games won; one contest a tie.

New York, however, did not win all the victories today. On the green turf just back of first base, while the 20,000 spectators were leaving the grounds, Managers Stahl and McGraw tossed a coin to determine in which city the deciding game should be played in the event New York won tomorrow's game in Boston. Stahl won the toss and all the remaining games will be played on Boston's field.

President Taft on the yacht Mayflower kept in touch with the game by wireless while reviewing the battleship fleet in the Hudson River. The winning scores were also wired from ship to ship all along the line so that every manjack aboard could know the progress of the game.

ABOLITION OF THE MONTREAL COUNCIL MAY BE CONSIDERED

Resolution to Hold Referendum on Matter Passed and Legislation is Alone Needed Now.

Montreal, Oct. 14.—Election of Montreal may have an opportunity next January to vote on a proposition to abolish the city council and place the civic administration in the hands of the mayor and the board of control. The matter came up this morning at an aldermanic caucus when Ald. Mercurio Martin proposed a referendum to abolish the board of control.

This was lost on a vote of 13 to 9, and a proposition by Ald. Lapointe to refer the question of abolishing city council to the people was carried by 13 to 7. The matter has to go before the legislative committee.
