

NICHOLAS HONORED RASPUTIN

Petrograd, Mar. 19, via London, Mar. 20.—The Petrograd press, no longer under the strict censorship of the old regime, is taking advantage of its new liberty to publish facts hitherto suppressed in regard to the assassination of Gregory Rasputin, the mystic, whose influence in court circles stirred the country. While the whole nation was breathing a sigh of relief at deliverance from Rasputin's malign influence the Imperial family was laying away his remains with great reverence and pomp at Tsarskoe-Selo.

After the body was found in the Neva, it was taken to Tsarskoe-Selo in the Imperial car, in which rode the then minister of the interior, M. Protopopoff, and General Voyekoff. The body was taken direct to the Imperial palace. The funeral ceremony was held in the Imperial church. A silver coffin, containing the body, was carried to its resting place by the Emperor, M. Protopopoff, General Voyekoff and others, followed by the Empress, in deep mourning. The affair caused a great scandal at the time, and further inflamed the people against the Empress.

PACIFIST CANDIDATE WAS SNOWED UNDER.

London, Mar. 20.—In a by-election held today at Stockton-On-Tees, made necessary through the recent death of Jonathan Samuel, Liberal member of parliament, the Liberal coalition candidate Bertram Watson, won the seat. He received 7,541 votes, as against only 506 for the "peace by negotiation" candidate, Edward Backhouse.

FEW MINUTES! NO INDIGESTION, GAS, SOUR STOMACH—PAPE'S DIAPESIN

Dig's all food, absorbs gases, and stops fermentation at once.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps, your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take Pape's Diapessin and in five minutes you will wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have a bad stomach. A little Diapessin occasionally keeps the stomach regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapessin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and settles things straight, so gently and easily that it is astonishing. Please don't go on and on with a weak, disordered stomach; it's so unnecessary.

"BUY AND BOOST HOME PRODUCTS."

The "Home Products" Campaign that we are promoting may fittingly be termed "The Dawn of a New Era," an era of greater prosperity for our city and all of our citizens as well as for our local industries. The economic importance of boosting and buying home products was outlined recently by one of our most prominent citizens who said: "Buying at home keeps the dollars at home and keeps them working for the prosperity of our own community. By far the larger part of every dollar spent by the consumer for home products goes for wages, taxes, improvements and the general up-building of the community. It is safe to say that if the thousands of people in our city and the vicinity would buy home-made goods whenever possible, the problem of the unemployed would be lessened and there would be three weekly pay envelopes where there is now only one."

This in itself is sufficient reason for our asking for your support and your co-operation in our endeavor to create a greater preference for articles of local production.

Insist on the "Made at Home" label.
