## Palpitation of the Heart and Nerve Troubles

WERE CURED BY Milburn's Heart and Nerve Pills

When the heart begins to beat irregularly or intermittently, palpitation, throb, skip beats, beat fast for a time, then so slow as to seem almost to stop, it causes great anxiety and alarm and the least excitement or exertion seems to affect it.

Many people are kept in a state of morbid fear of death, become weak, worn and miserable through this unnatural action of the heart.

To all sufferers from heart troubles, we would advise the use of Milburn's Heart and Nerve Pills, which by their action in strengthening the heart and regulating the beat remove all the distressing conditions, and impart vigor and vitality to the system.

Mrs. Thomas Davidson, Mount Brydges, Ont., writes: "I have been a great sufferer in the past with nerve troubles and palpitation of the heart. I tried several remedies, but without any good results. My son came in one day and advised me to take Milburn's Heart and Nerve Pills. After using one and a half boxes, I am fully recovered, and am in a perfect state of health, thanks to your valuable medicine."

The voice Re-Creation is placed on the New Edison.

The artist stands before the instrument and sings.

The Re-Creation of the artist's voice must be so perfect that those who listen, with closed eyes, cannot tell when the artist has ceased to sing.

## Will Germany Yield to America's Peace Aims?

"The key to the Temple of World Peace is in the hand of President Wilson," said Maximilian Harden recently to an American correspondent in Germany and many people throughout the world think that the key was fitted in the lock when the President restated America's war aims to Congress on January 8th.

Taken together, remarks the Chicago Tribune, the statements of war aims by Lloyd George and President Wilson are "an unescapable challenge to the Governments of the Central Powers and what perhaps is much more important to the consciences of their peoples." The New Yorker Staats-Zeitung says that "Germany's spokesmen have been insistent that their opponents in the war state definitely and concretely what they are fighting for. It is now the Central Powers' move and they should be equally willing to restate their war aims as unequivocally as the United States and Great Britain have stated theirs."

Throughout the length and breadth of America, President Wilson's speech has been warmly applauded and endorsed. In the capitals of the countries allied with the U. S. in the war its reception has been no less cordial, as shown in the leading article in THE LITERARY DIGEST for January 19th. This article covers four pages and gives the result of a searching examination of the newspaper press of the world, including Germany, upon America's war aims as outlined in the President's message. Incidentally, the war terms of America, Britain, and Russia are shown in three parallel columns, so that the reader can at once balance them.

## Uncle Dick's Chat With the Children

My Dear Kiddies:—

If anyone ever raises any doubt as to boys and girls being unselfish, or as unwilling to make sacrifices, or as not drawing their attention to the response made in connection with the 400 Nickel Fund for the Halifax sufferers, among the school children, am not referring to the amount of money sent in, but the sacrifice made by many of the members of the Corner so that they would be able to donate whatever they may have. For instance this week, among the letters received, is one from a Woodstock kiddie enclosing 35 cents, which he earned by selling newspapers. He is only seven years of age, yet his thoughts turned to the little children in Halifax, and he gave what he had worked hard to earn towards their relief. Another case is that of some kiddies at Chocoma and Cummings Coves. The school-boys of class one in the Sunday school, together with their teacher, sent in twenty nickels. There are dozens of like incidents which I could tell of, and which perhaps some day, just to show you how the boys of the world and girls there are, I am sure they would put to shame many of the older people.

Boys and girls I am proud of you, and to give you a chance to reach the 500 Nickel mark I am extending the date of closing the Fund for two weeks, but it will definitely close on Thursday, January 31, when all donations must have reached this office addressed to me. On Monday February 4th a check will be made out, for whatever amount has been donated and acknowledged, and sent to Halifax, for exclusive use among the children sufferers of the city. Now, make a last effort, to reach the mark, and let us have \$250 to send.

To encourage those who are at work in connection with the Subscription Contest, particulars of which were announced in last week's Corner, the Editor of the Standard, has decided to give all those who enter a start of five hundred votes, and that for each additional subscription sent in each additional 200 votes will be added. On the last day in March, the kiddies who have the most number of VOTES will get the handsome prizes. In other words, suppose you commence work, and get two new subscribers, besides making twenty-five cent pieces for your pocket money you will have Nine Hundred Votes. Five hundred to commence with, and two hundred for each of the new subscriptions secured and sent in.

This week, I am publishing a list of those kiddies from whom we have

## JUVENILE JOYS

TRYING ON DAD'S NECKWEAR

heard, and who have therefore been given the five hundred votes to start off with. What I want you all to do, is to try your best to secure subscribers. They must be new subscribers, and pay you \$2.00 for the years subscription to the Daily Standard. You keep fifty cents of each order, and send the \$1.50 to me, together with the name and address of the subscriber, who must not reside in the city of St. John. You will then receive the five hundred votes, and two hundred more for each order. On the last day in March, the votes will all be counted, and the kiddies who have the highest number of VOTES will receive the prizes which consist of a WRISTLET WATCH, MECHANICAL SET, GOLD LOCKET AND CHAIN, SILVER PURSE, and a YEARLY BOUND VOLUME. And besides the splendid awards, remember that you make FIFTY CENTS out of each order which you receive.

I should like to draw the attention of you boys and girls to the splendid lectures which are being given in the Natural History Society's rooms, Union Street, St. John, under the auspices of the St. John Audubon Society. They are most instructive, and interesting, and should be attended by all the boys and girls in the city. Next Friday, January 26th, the person who conquers these columns, will have something to say and draw as to birds. Just make a note to attend, at four o'clock, and I am sure if you once have the pleasure of listening to one of the addresses, you will always desire to attend. The Society welcomes all boys and girls who have the interests of the birds at heart.

With best wishes, and desire that you will succeed in getting the required number of nickels, and also that the members of the Corner, will try hard to win one of the splendid prizes, in the Subscription Contest, I shall have to close this long chat.

From your

Uncle Dick

Children's Editor

Uncle Dick is calling for 5000 nickels to be given to the Central Relief Committee at Halifax for relief of the school children who are sufferers.

If you should meet any of those kiddies who suffered at the hands of the enemy, and they commence to thank you for the nickels sent; will you deserve it, or will you be one of those who did nothing? Edward Bohan—Why don't you call on me again, day? I am always pleased to have your letters.
