Extr. additional amount in con-
nection with construction of
Mackenzie creek bridge, Six Na-
tions Indian reserve.

It seems that the plan showed a certain depth for the foundation but that the contractors (Smith & Smith, of Kan-yengeh) found that, in order to secure a solid foundation for the bridge, they had to go about a foot and a half deeper. The extra work is covered by the sum of \$133.78. With this additional sum added to their tender, Smith & Smith's tender is still the lowest.
