THE HOLSTEINS—THE 100-LBS.-A-DAY HERD.

owned Millgrove herd of record Holsteins owned by D. C. Flatt of Hamilton, Ont., holds the distinction of having at its head bulls whose dams have milked averaging over 116 lbs. each for and butter records averaging . . . each for seven days, a possibility by any other herd on the . . .

In the herd are five cows with records of over 100 lbs. a day . . . thing no other herd in America claim to; and still further, . . . is a cow that has made the . . . record of making 30 lbs. . . in seven days for five consecutive . . . a feat never equalled by any . . . Surely all this is worthy of . . . a passing thought, for with . . . of 100-lbs.-a-day blood, . . . must soon come when the Millgrove . . . will be in a class by themselves . . . more so when the six daughters . . . five 100-lb. cows are repeated . . . performance of their . . . dams. Further, relative to . . . ability of the herd as a . . . R. O. M. official records of . . . mature age range from 25 to . . . and this year in a R. O. P. . . . at three of them will easily . . . 20,000 lbs. each, with twice . . . ing. . . . Worth of special . . . the remarkable world's record . . . Penny Bonerges Ormsby. For . . . five years she has made an . . . n-day butter record of 30 lbs. . . daughter of the great sire, Sir . . . mshy, and in the herd are five . . . daughters and two granddaughters, . . . of her sisters and five of their . . . Another of the great cows . . . is Idelia De Kol Tensen, in . . . form at first calving, . . . one year a fraction less than . . . milk and 834 lbs. butter, and . . . of the twelve months she . . . O. M. record of 19 lbs. but . . . that still stands the world's . . . e age. Last year as a four- . . . with twice-a-day milking, she . . . 20,000 lbs. Two of her . . . are also in the herd. Coupled . . . great production is the high . . . of individual excellence and . . . form, as well as a remarkable . . . all through the herd. A . . . two regarding the stock bulls . . . interesting. Senior in service . . . Mercedes Pietertje Hartog . . . s a son of Paul De Kol Royal . . . only sired 10 daughters when . . . t to the butcher. Six out of . . . e over 100 lbs. of milk each . . . y. No other bull ever sired . . . sextette. On the other side, . . . Canary Mercedes has a one- . . . of 116 lbs., and a sixty-day . . . 196 lbs. of milk, and a seven- . . . record of 34.60 lbs. Another . . . in service is Paul Plus Burke, . . . Daisy Pauline Pietertje, in . . . gave 110.7 lbs. of milk, and . . . lbs. a day for 40 consecutive . . . seven-day test is 28.59 lbs. . . and thirty-day test 116 lbs. . . lbs after calving she made, in . . . 525 lbs. of milk and 20.72 . . . er, which is a world's record . . . period. Her R. O. P. record . . . lbs. of milk and 1,037 lbs of . . . er dam, Helena Pietertje Pau- . . . only cow in Canada with two . . . daughters. The dam of . . . sire, De Kol Plus, was R. O. P. . . 1910, with a record of 22- . . . milk and 956 lbs. of butter. . . sire in service is Lula's Prince . . . ng, a son of the great cow . . . which in one day gave 123 . . . ; in seven days she gave 785 . . . and 36.05 lbs. of butter; in . . . she gave 3,192 lbs. of milk . . . lbs. of butter. As a two- . . . R. O. P. test, she gave 19- . . . milk and 658 lbs. of butter. . . doubt, here are three of the . . . oducing-bred bulls of the . . . with their service on so strong . . . herd, sensational results are

Wayne Steel Tanks

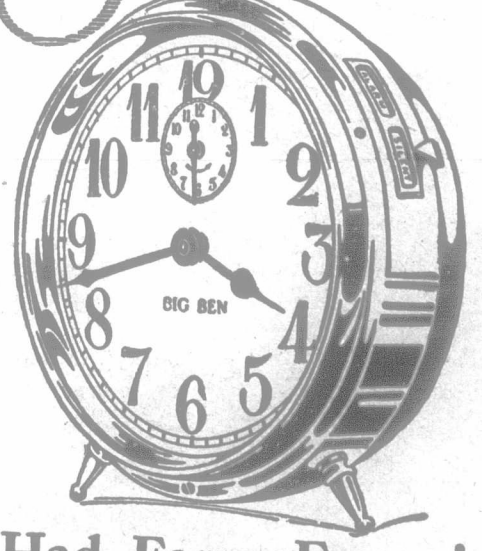

So useful on every farm. They have many advantages over cement and wooden structures for convenience and durability, and being easily moved from place to place, as use may require. All sizes and moderate in price. If your dealer does not handle the WAYNE, let us hear from you direct.

WAYNE OIL TANK & PUMP COMPANY, LIMITED
WOODSTOCK, ONTARIO

Roasts retain their natural flavor—bread, cakes, puddings, etc., baked in a

McClary's
Pandora
Range always come fresh and sweet from its perfectly ventilated oven. See the McClary dealer in your town.

Big Ben

He's Had Farm Experience

On thousands of farms, Big Ben has been the clock of all work—ringing up the people who must get out early, and telling the right time of day to those who stay 'round the house. Big Ben works 24 hours at a stretch—puts in overtime without extra pay, and never botches up a job. He's husky, deep-voiced and strong. His call is clear—his bold numerals show plainly in the dim light. If your dealer hasn't him, a money order addressed to his makers, Westclox, La Salle, Illinois, will bring him postpaid, \$2.50 in the States—in Canada, \$3.00.

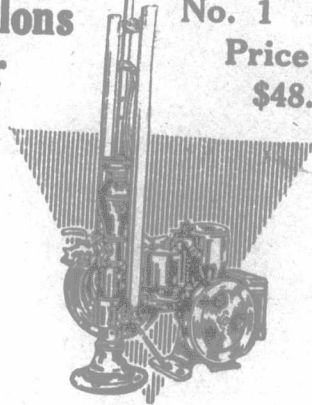

Will pump 1,000 gallons of water an hour

No. 1
Price \$48.00

And pumping is but one of many labor-saving jobs that can be done on any farm with a

Fairbanks-Morse Eclipse Engine

It can be easily moved from place to place and put to work in a few minutes' time—grinding, sawing, hoisting or any other light work of this nature. In fact, its uses are practically unlimited. Strongly built of wear-resisting materials. Simple in design. Economical in consumption of fuel. Fully guaranteed. Made in two sizes. Send for interesting, free booklet, "Power on the Farm." Address: 40 Fairbanks-Morse Bldg., any branch.

F.O.B. factory at Toronto. Complete with pump-jack all ready to attach to your windmill pump.
