MATRICULATION.—Students are advised before commencing their medical studies, to pass the Matriculation Examination of the Medical Council of Ontario or Quebec, either of which will be accepted by the University of Trinity College. Students from the Maritime Provinces, Ontario, or the United States, who do not desire to pass the Council Examination, will be admitted to attendance on Lectures, but must present themselves for the Matriculation Examination of Trinity University, on the 2nd Saturday of October or March, or the Matriculation in Toronto University at the usual time. The matriculation of the Universities may be passed at any time before graduation.

REQUIREMENTS FOR DEGREE.—The candidate must be 21 years of age; and (1) must have studied medicine four years, and during that time attended four winter sessions; or (2) present a certificate of one year's study with a medical practitioner, and tickets of subsequent attendance upon three winter sessions.

HOSPITALS.—The Toronto General Hospital has a very large number of patients in the wards, who are visited daily by the medical officers in attendance. The attendance of out-door patients daily is also very large, and thus abundant opportunities are enjoyed by students, for acquiring a familiar knowledge of Practical Medicine and Surgery, including not merely major operations, but minor Surgery of every kind, ordinary Medical Practice, the treatment of Venereal Diseases, and the Diseases of Women and Children. The Burnside Lying-in Hospital, amalgamated with the Toronto General Hospital, has recently had its staff largely increased, and will afford special and valuable facilities for the study of Practical Midwifery. The large new building, close to the Hospital and School, will be very convenient for students attending its practice. The Mercer Eye and Ear Infirmary is also amalgamated with the Toronto General Hospital, and affords special facilities for students in this department.

TORONTO DISPENSARY.—This was established several years ago, and affords abundant facilities for practical instruction in the diagnosis and treatment of diseases of all forms. It is open to students free of charge.

CLINICAL TEACHING.—Daily clinical instruction in the spacious wards and theatre of the Hospital, will be given by members of the Hospital Staff on all interesting cases, Medical and Surgical. Arrangements have also been recently made for the delivery of daily clinics, in the theatre of the Hospital, by the respective professors in medicine and surgery of both schools, in addition to the usual clinics.

PRACTICAL ANATOMY.—The dissecting room is large, well lighted and ventilated, and abundantly provided with excellent material. The demonstrator and his assistants will be in attendance daily from 10 to 12 a.m.

FEES FOR THE COURSE.—The Fee for Anatomy, Surgery, Practice of Medicine, Obstetrics, Materia Medica, Physiology, and General Chemistry, \$12 each; Practical Anatomy, Practical Chemistry, Medical Jurisprudence, and Microscopy, \$8 each; Clinical Medicine and Clinical Surgery, \$6 each; Botany and Sanitary Science, \$5 each; Registration Fee (payable once only), \$5. Students are free in all the regular Branches after having attended the School during two full courses.

Full information respecting Lectures, Fees, Gold and Silver Medals, Scholarships, Certificates of Honor, Graduation, Diplomas, Fellowship, etc., will be given in the annual Announcement, for which, apply to
