

Deer Hunting in Ontario

Is best along the line of the Canadian Northern Ontario Railway. More deer were taken out of the district between Parry Sound and Sudbury last year than all other districts combined. Many good locations are still open but should be taken up early. Write for literature, maps and general information to C. Price Green, Passenger Agent, Canadian Northern Ontario Railway, Toronto, Ont. Ticket Offices, Union Station and Cor. King and Toronto Sts.

For information regarding hunting locations in five other provinces write to the Information Department—

BIG GAME HUNTING

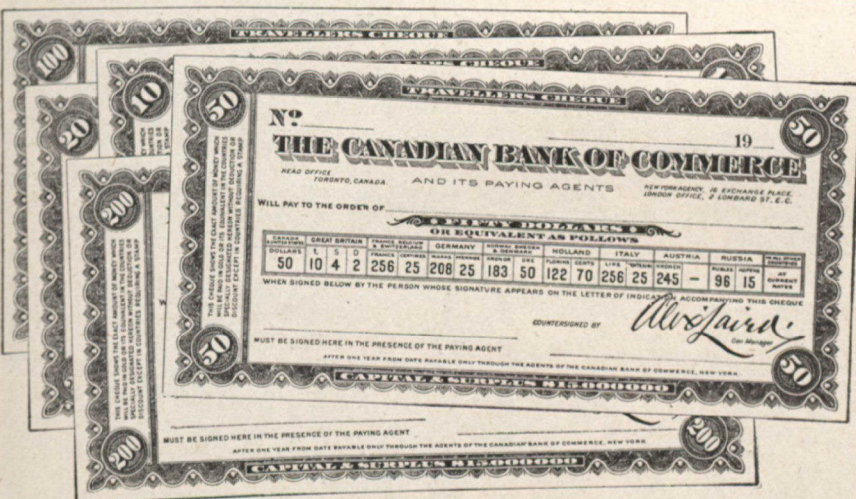

Caribou, Deer, Moose and Bear haunts are best reached by the Canadian Pacific Railway—the road of the experienced hunters—in Ontario and Quebec and real sport as found in the country contiguous to the line from Mattawa to the Manitoba boundary is unequalled elsewhere in America.

Prospective hunters this season cannot do better than avail themselves of special hunters' train arrangements, etc., enabling camp setting and getting on the ground without the customary vexatious delay.

Read "Open Seasons for Game and Fish, 1909," "Fishing and Shooting"—a handsomely illustrated 80 page booklet—"Sportsman's Map" free for the asking at any Canadian Pacific Ticket Office, or write

FACSIMILE OF TRAVELLERS' CHEQUES

ISSUED BY

The Canadian Bank of Commerce

☞ These cheques are a most convenient form in which to carry money when travelling. They are NEGOTIABLE EVERYWHERE, SELF-IDENTIFYING and the EXACT AMOUNT PAYABLE in the principal countries of the world is shown on the face of each cheque.

Reaching the Masses

by advertising space and personal solicitation is the method used by the CANADIAN COURIER with great success. Just now it is possible to allot territory to two good canvassing men, who will be given managing positions with satisfactory contracts on a commission basis.

The CANADIAN COURIER is proving to be a fine proposition in the hands of a salesman, with or without experience. Perhaps more than two agents could be given managing positions, but we want two more immediately. Local agents wanted everywhere.

"LEITH" SERGE

☞ For a hundred years "Leith" Serge has been one of the bulwarks of one of England's best mills. As a satisfaction giver it has stood the test of time—in greater demand to-day than ever before.

☞ When our Mr. Broderick was in England he secured the exclusive agency for "Leith" Serge for Canada.

☞ Now we're ready to show it and sell it to those men who want a serge suit par excellence; a suit with richness of appearance and that will stand the maximum amount of wear without taking on that always regrettable glossiness.

☞ No need to tell you that our faultless tailoring stands behind the peerless material in the object of satisfying you; no need to emphasize the fact that from measuring time until the final stitch is firmly in place "quality" is the watchword here.

☞ The best indigo dye guarantees the staying qualities of "Leith" Serge; in four weaves, four weights and four shades and four prices—starting at \$22.50.

☞ At each price each buyer will have value unsurpassed in Canada.
