

Medicine

Get the facts about the challenge and opportunity of the Canadian Forces Medical Officer Training Plan.

Students of medicine, male or female, under the Medical Officer Training Plan, your medical studies can be subsidized up to three years at medical school and a maximum of two years internship training. You will attend a Canadian civilian university, your textbooks and necessary equipment will be supplied and you will be paid while you learn.

Following graduation, you will combine your medical training with that of an officer in the Canadian Forces.
