Copy of the E.R. setting aside the necessary funds will be forwarded to you in a day or two.

The work should be carried out by Indian labour under the supervision of Indian foremen.

I note from Dr. Robertson's letter of September 2nd that a list of materials costing approximately \$75.00 was asked for. As authority for their purchase was given to you in letter of September 8th from the Trusts and Annuities Division, chargeable to Band Funds, I presume you have already purchased these materials and that they will not be a charge against Vote 84.

Yours very truly,

*TRM*  
T.R.L. MacInnes,  
Secretary.
