The Right Honorable,
Arthur Meighen,
Ottawa, Ont.

Dear Mr. Meighen:-

Just at this time we feel that an article by yourself, directed to the people of Western Canada, would be of great interest, an article in which the policies and platform of the Conservative Party would be fully explained. We believe that we would be rendering a very fine service to our readers, who are scattered throughout the entire West, were we privileged to present such a contribution to them. The article would be made a feature of the October Issue.

We are addressing a similar request to the Rt. Hon. W.L. Mackenzie King, leader of the opposition. While we quite appreciate that your time is fully occupied, we feel that as the leader of a great party you may possibly owe this duty to the 60,000 homes reached by our magazine with each issue.
