

Among members of the Bar, one is to be named to replace this Judge of the Superior Court.

Party leaders, municipal councils and curates of Charlevoix are writing Mr. Dupré, insisting that the choice of the future Judge be made in the district of Saguenay as it is normal and just and that I be the next nominee having all the required qualifications.

My family was always friendly to the administration; my father was a conservative candidate in Montmorency and I ran twice for you in 25 and 26.

Many candidates will lay their claim before you and Mr. Dupré but the succession belongs to Saguenay.

May I ask respectfully that you say a word in my favour and that you say it with your customary <sup>energy</sup> to whom it may concern; your intervention is <sup>a</sup> guarantee of success to my claim.

I thank you in advance and I remain

Yours very truly

Dict. B.G.
