Ottawa, Jan. 21, 1909.

Sir,-

I have to acknowledge the receipt of your letter of the 18th inst. reminding the Department that the term of office of Joseph Knockwood, Chief of the Indians of King's county, has expired, and asking that an election be held.

In reply I beg to say that your agent, Mr. Beckwith was informed in June, last, that it would be necessary to hold an election during the present month, and he has been requested to arrange for an election at an early day to suit the convenience of the Indians and himself, due notice to be given in the usual manner.

Your obedient servant,

Secretary.

Mr. Frank Toney,
Wolfville, N.S.
