METRA HORATIANA, or, the Metrical systems of Horace, arranged on a new and simplified plan by the Revd. F. J. LUNDY, S. C. L., late Scholar of University College, Oxford, and Head Master of the Quebec Classical School.
Quebec, 27th Nov. 1838.

FURS.

W. ASHTON & Co.

3, MOUNTAIN STREET, NEXT DOOR TO PRESCOTT GATE,

HAVE MANUFACTURED throughout the summer, and now offer for sale a stock of

LADIES' & GENTLEMEN'S FURS,

which for neatness of style and quality of materials they feel proud to offer for competition.

Their having for some years past secured, during the summer season, probably the best Hat Trade in the Province, enables them to undersell any house depending on the winter trade for twelve months' support; this, together with the advantages they have over every other furriers in this city by importing their own materials direct, are the only hints they think necessary to drop.

All description of Furs made to order, and returned if not approved of.

In repairing any article, or altering it to the present fashion, W. A. & Co. pledge themselves that their charges will be on the most moderate scale, and will forfeit the value of any article when promised to be done at a certain time, in which there may be a single hour's want of PUNCTUALITY.

NO SECOND PRICE.

Quebec, 29th Sept.

VICTORIA HOUSE.

(RUE SOUS-LE-FORT—QUEBEC.)

GEORGE ARNOLD, PROPRIETOR,

IS now open for the reception of visitors. The situation and accommodation of the premises combine advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canadas. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by himself personally, every attention will be ensured to those who favour him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Boat Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, whenever required, be converted into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; a dimension which renders it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbour of Quebec and the surrounding country.

The Wines and other liquors of the establishment will be of the first order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor in providing for his guests to combine moderate charges, and superior accommodation.

GEORGE ARNOLD,
Quebec, 23d June, 1838.

NOTE.—Lumber Merchants and others connected with that branch of commerce, will meet with every accommodation and attention, at the above establishment, the proprietor having for many years past had an extensive acquaintance with parties in that line, from the Upper Province and the United States.
