

**THE EXPORTS OF CANADIAN PRODUCE SENT TO
GREAT BRITAIN, THE UNITED STATES AND
OTHER COUNTRIES IN THE YEARS
1890 TO 1900.**

In THE CHRONICLE for 19th April last the imports of Canada were given in tabular form showing in what markets the goods brought into Canada were purchased. To complete the exhibit of the foreign trade of this Dominion we present below a statement of the values of the exports of Canadian produce in the years 1881 to 1900 showing in the case of each class of products the portion sent to Great Britain, to the United States and to other countries. The classification follows the lines of the weekly statement of exports which appears in the "Official Gazette."
