"THE CANADIAN PHILATELIC HAND-BOOKS."

No. 1 - "The Stamps of British North America."

This book is one of the most useful published for the use of the collector. It comprises the most comprehensive priced catalogue of Canadian stamps ever issued, and has been prepared as the result of years of individual research, and at great expense. It fully describes and deals with 600 distinct varieties of Canadian postage, Revenue, Local and Telegraph stamps; varieties of paper and perforation are also fully entered upon. This work should be in the hands of every collector. It will pay for itself in five minutes' use. Order a copy NOW, as the edition, which is limited to 1,000 copies, is rapidly selling. The remarkably low price places it within reach of all. **Price, only 25 cents a copy,** sent post-paid to any part of the world on receipt of price.

No. 2 - "Canada and her Stamp Collectors."

This book, which has just been issued, has been published in response to the request of many of our customers. Its contents comprise a brief and well written history of stamp collecting in Canada, twenty brief and interesting sketches about Canada's twenty leading dealers and collectors. To the above is added a chapter containing such interesting matter on Canadian stamps. Last, but by no means least, comes the directory, which contains the names of nearly 2,000 *bona fide* Canadian collectors. The names in the directory are all fresh, having been collected during the past year. This book is a valuable as well as interesting work. You should possess a copy. Send us your order. Sent post-paid to any part of the world for **25 cents.**
