

The Relationship of Agriculture to Other Industries and the Arts.

As conceived by
Mr. J. B. Bartholomew
President of the
Avery Company,
Peoria, Ill.

WITH A TRACTOR THE FARMER CAN FEED THEM ALL

AGRICULTURE IS THE FOUNDATION UPON WHICH ALL THE BRANCHES OF CIVILIZATION MUST REST
• The TRACTOR • • • The LAND • • • The PLOW •
Avery Tractors and Plows are Making Good at doing their part in Feeding the World
