

## WHEN YOU COME TO THE ROOF PUT ON OUR FAMOUS EASTLAKE METALLIC SHINGLES

Lightning has no effect on them. They are absolutely fireproof. Rain and snow—heat and cold—can't rust, crack or warp them. The perfect fitting side lock (exclusively Eastlake) makes the roof absolutely leak-proof, and cost of putting on much less.

### OUR GUARANTEE:

We guarantee Eastlake Metallic Shingles to be made of better material, more scientifically and accurately constructed, to be more easily applied, and will last longer than any other Metal Shingle on the market. Our guarantee is absolute. Our Shingles have been made since 1885.

Eastlake metallic Shingles are made either galvanized or painted. They are handsome in design, attractive on the house and last a lifetime. Our cheapest grade will last longer and costs less than the best wooden shingles. Our best Metallic Shingles make as superior a roofing to wooden shingles, tin, slate, etc., as these were to sod roofs. Let us send you the proof. Write us. Complete information free.

### \$1,000 Reward

For years the Double Power Mill Company, of Appleton, Wis., U.S.A., has been offering a reward of \$1,000 for the equal of its Two Wheeled Power Windmill. It now offers a like reward for its recently invented Self-oiling Open Wheel Pumper. This wheel has a new device by which it needs oiling only once in six months. We would suggest that farmers write the company and secure Booklet 100.

### Caustic Balsam for Spavin and Ringbone

Casselman, Ont., Feb. 6, 1905.  
The Lawrence Williams Co.,  
Cleveland, O.:

I have used your Gombault's Caustic Balsam for spavin, ringbone and a good many other ailments, and found it very good for all.

ALF. LALONDE.

The new catalogue, G 4, of the Gilson Mfg. Co., of Port Washington, Wis., illustrating and describing their full line of widely known Gilson engines, gasoline—gas-alcohol, is now ready for distribution. This catalogue gives a complete description with many fine illustrations of the famous Goes Like Sixty line of Gilson engines, air, water and oil cooled engines. It also describes their latest and greatest production, the 5 ½ h.p., double opposed air cooled engine. The Canadian factory of the Gilson Mfg. Co. is now being built at Guelph, Ontario. Here within a few weeks
