## Greater and Cheaper Gains

Pigs fed on Monarch Hog Feed make greater and cheaper gains, because Monarch is a rich but well-balanced feed.

## Monarch Hog Feed

**Monarch Dairy Feed**  
Guaranteed Protein 20%,  
Fat 4%. A special milk-  
producing feed.

**Sampson Feed**  
Protein 10%, Fat 4%.  
A general purpose  
feed.

contains the correct amount of nutrients necessary to build bone and muscle, make the pig thrifty and to produce just enough fat. In addition Monarch is rich in protein, thus ensuring firm, sound flesh.

Feed Monarch Hog Feed generously. Your pigs will thrive on it. They will be ready for market earlier and at less cost.

Order a ton from your dealer. If he is out of Monarch write us.

**Lakeview Yorkshires**

If you want brood sows of any age, stock boars of any age, or young pigs, write me. All bred from prize-winners for generations back.

**JOHN DUCK, Port Credit, Ont.**

## Belleville District Club Sale.

From present indications, the Belleville Sale advertised for Wednesday, March 31st, has every prospect of equaling or surpassing all previous averages in the way of prices, which is saying considerable, as they have had some real good sales in the past. The individuals, we understand, are choice in every way and since summing up their pedigrees with the Secretary a few weeks ago, Mr. Caskey, the Sales Manager, writes us that among the later entries is a 30-lb. cow, as well as a daughter of a 30-lb. cow. Previous to this, those listed included in part the following: a five-year-old daughter of Pontiac Hermes, a good individual and sister of Lulu Keyes, 36.05 lbs. With the same consignment, comes a year-old daughter of King Segis Alcartra Spofford, and a two-year-old granddaughter of Sir Lyons Hengerveld Segis, the 33-lb. bred son of King Segis. There is also a year-old bull in this lot, sire by Count Segis Walker Pietertje, and from Flora Gerben De Kol, a 19,541-lb. cow. S. J. Foster consigns an eight-year-old and a five-year-old cow, the former has milked 80 lbs. per day and the latter is got by Plus Burke, sire of Helena Burke Key, 33.40 lbs. His only other entry is a three-year-old show heifer, which is got by a son of Inka Sylvia Beets Posch, the sire of May Echo Sylvia. S. F. Parks consigns two bulls and six females, one of the former is sired by King Segis Alcartra Spofford, while several of the females are sired by Francys 3rd Admiral Ormsby. There is another two-year-old heifer by Count Segis Pietertje and from a granddaughter of Pontiac Korndyke. Among others, Archibald Parks has a two-year-old daughter of Earl Burke Korndyke and Daisy Pauline Echo, the latter being a daughter of Daisy Pietertje Pauline, 110.7-lb. per day cow. The two grandams of this heifer average 108 lbs. of milk per day, and 713.7 lbs. for 7 days. D. B. Tracy, with five head has a two-year-old daughter of a 32.67-lb. bred son of Count Segis Walker Pietertje. Another two-year-old daughter of King Segis Pontiac Posch is from a daughter of Edith Prescott Alvino Korndyke, 32.67 lbs. He is also selling a 27.25-lb. cow with 630.8 lbs. of milk. E. B. Purtelle, whose offering at Belleville usually averages high is putting in a year-old son of Champion Echo Sylvia Pontiac, and the dam of the calf is a daughter of King Segis Alcartra Spofford. John Branscombe with three head selling, has a five-year-old sister of a 33-lb. cow, and a seven-year-old daughter of Count Segis Walker Pietertje. Mr. Caskey, the Secretary, with only two listed, sells a son of Ormsby Jane Burke which is from a 19-lb. daughter of Sarah Jewel Hengerveld's Son. This bull has 100 lbs. blood on both sides. The other entry is a two-year-old heifer, from a daughter of Count Segis Walker Pietertje. Lots of two and three each from the herds of George W. Bush, P. B. Nelson, R. H. Dick, Sam McGee and S. J. Stinson complete the offering. Write Mr. Caskey for a catalogue, mentioning "The Farmer's Advocate."

SOW  
SIMMERS' SEEDS

## Successful Since 1856

It is easy to make claims for seeds—it is another thing to be able to substantiate them. We are emphatically able to make our claims good because our record for "seeds that grow" has gone unbroken for 64 years. For seeds, bulbs, plants of all kinds, trust Simmers' goods. THEY GROW!

Write for our handsome new 1920 Catalogue today.

**J. A. Simmers Limited, Toronto**

## GARDINER'S PIG MEAL

Is profitable food to give stock

Young pigs thrive after weaning if fed on Gardiner's Pig Meal. Used with skim or separated milk it provides the richness of the mother's milk and is readily digested.

With shorts expensive and scarce at any price Gardiner's Pig Meal is invaluable to the farmer.

Pigs grow quickly on this diet, thus assuring you maximum profits at minimum expense.

Gardiner's Pig Meal is sold in 25, 50 and 100-lb. bags. If your dealer has none, order direct from

**GARDINER BROS., Feed Specialists, SARNIA, Ont.**

## Pure-bred Yorkshires
