

**PAQUET GUARANTEED CLOTHES**

## MADE TO YOUR MEASURE But NOT Custom-Made

THIS LOOKS paradoxical, but it's none the less true for all that. What's more, we can prove it to your entire satisfaction, and stand ready to refund your money if you are not ABSOLUTELY SATISFIED with your clothes when they arrive. PAQUET Guaranteed CLOTHES, as their name implies, are GUARANTEED to fit you perfectly. All Ready-Made Clothes are cut and made up to fit AVERAGE types, not REAL men. That's why they don't fit YOU. And they can't be MADE to fit, either, without being all ripped up and re-cut—a very expensive undertaking, and, therefore, out of the question.

PAQUET Guaranteed CLOTHES are cut to fit BEFORE they are made up at all. That's why we can GUARANTEE them to fit PERFECTLY. Our new style-book tells all about our method of Clothes-making. PAQUET Guaranteed CLOTHES are GUARANTEED to be the best value in Canada to-day at from \$10.00 to \$14.25—worth \$13.50 to \$20.00.

### Removing Paint.

Dear Dame Durden,—I shall be very pleased if you or any reader can tell me how to remove a paint stain from a white silk dress. I tried salts of lemon with no effect.  
Toronto, Ont. F. S. T.

Rub butter on and let stand over night. Next mix a little ammonia with some turpentine and rub in well, soaking and rubbing until stain disappears. If this method fails I know of no other.

### Recipes.

Fruit Snows.—Put any remnants of stewed fruit through a sieve. Gently fold in the stiffly-beaten whites of two

eggs. If there is not enough to "go round," make a boiled custard with the yolks of the eggs and pour round. Garnish with whipped cream if you choose.

Fruit juices left over when canning may be used in several different ways. They may be (1) thickened with unflavored gelatine and made into a jelly; (2) frozen into a water-ice; (3) used instead of milk to make a blanc mange; (4) sweetened and thickened with cornstarch to make a pudding sauce.

Left-over Vegetables.—Make into (1) soup. Put vegetables through a sieve, season, and heat in stock or milk. (2) Salad; by mixing with dressing. (3) Croquettes. Bind with sauce or egg, mix in a little chopped meat, and fry.

Good Pudding, "Hard" Sauce.—Beat together butter and sugar, also  $\frac{1}{4}$  cup whipped cream and beaten white of an egg.

Lemon Pie.—For one pie use 1 lemon,

1 tablespoon butter,  $1\frac{1}{2}$  tablespoons cornstarch, 1 cup water, white of 1 egg, sugar to taste. Wet the cornstarch in a little of the water, and set the rest of the water over the fire in a saucepan. When it boils add the wet cornstarch and boil for a minute after it thickens. Add the butter and set the mixture aside to cool. Line a pie-plate with paste. When the filling has cooled add to it the lemon juice, the grated rind, and sugar to sweeten. Beat well, turn it into the crust, and bake about 20 minutes in a very quick oven. When done spread over the top the beaten white of egg sweetened with a teaspoonful sugar and flavored with a little lemon extract. Brown the meringue and serve the pie cold.

### Washing Blankets.

Blankets washed by the following

process are said to be as soft as when new: Take  $\frac{1}{2}$  bar good laundry soap, shave it fine, pour over it 1 pint boiling water, put over the fire and stir until it becomes a thick paste, add 1 tablespoon borax and 2 tablespoons ammonia. Have ready a tub of tepid soft water softened with a tablespoon borax. Stir into this the mixture, then put in the blankets. Let soak an hour, occasionally turning them over, then run through the wringer. After this rinse in clear, tepid soft water, being careful not to rub with the hands. Run through the wringer again, and hang in the sun to dry.

### Our Scrap Bag.

The value of onions: "Eat onions in May, and all the year after physicians shall play," is an old adage. To May add all the other months of the year.
