## THEY ARE POPULAR

The Seal of Public Approval is stamped upon North American Life Policies.

During 1915, Policies were issued for over \$9,100,000—the largest single year's Business in the history of the Company, and a 15% increase over that for 1914.

Liberal, up-to-date policy contracts, backed by a Company of unquestioned strength and integrity, make it an ideal one for any agent to represent.

## OPPORTUNITY KNOCKS!

The Mutual Life of Canada offers a rare opportunity for men of ability and character who are choosing or changing their life work.

No company with which one might be allied could possibly offer more attractions. It is long-established, yet strictly modern in every part of its organization and wonderfully prosperous.

We are looking for men, real men, who can produce results. Would an attractive agency opening appeal to you? To the right man we offer a first-class contract. It may be that your present position is entirely congenial. If so, you may have a friend or acquaintance qualified for this work, who would be interested.

It is comparatively easy to write business for a company with a reputation for service, efficiency, stability, up-to-date policies and liberal dividends—"one of the best companies on the continent." Address—

## AFTER THE HARVEST

protect your gains by suitable Life Insurance.

A Life Policy gives PERMANENCE to prosperity. It guarantees the continued welfare of dependent ones.

Life Insurance is not expensive. A little money and good health are the requisites. You may have the money next year—but the good health may have gone. So arrange your protection now—and arrange it with the Company charging lowest rates and paying highest profits to Policyholders—
