The Truthe Hotels.—The hotel leek-out at Truro which has caused so much inconvenience to travellers, terminated by the hotel keepers volantarily re-opening their bouses. The temperance cause was not benefited much by the closing of the hotels, as travellers and others had their appetites satisfied at saloons. What the next move will be it is difficult to say; but one thing is certain, that neither the hotel keepers nor the temperance bodies accomplished much by the late movement.—

Shocking Murder — The Amberst Gazette
learns that on the 28th ult., whilst Captain
James Hatfield, of Ratchfield River, and his

Chas. F. Fite, son George, were engaged fishing at or near Scott's Bay, in Kings County, two ruffians in a boat approached, and ordered the latter off what they claimed to be their fishing ground, Wes. Crooks, Esq. 1 and upon their refusal to leave, one of the wretches aimed a gun at the younger Hatfield, which, however, missed fire, when he called to the other to fire. He at once obeyed and shot Captain Hatfield in the leg, causing a frightful wound, the boats being about five feet apart and the gun charged with bullet and slugs. Young Hatfield inmediately started for home, taking his wounded farther with him, who expired from loss of blood about and hour and a half of the property of

way authorities in running trains on Saturday night and Sunday morning. A committee was appointed to consider the matter, and at the next meeting of the Alliance it will come up again for discussion.

NAVAL TEMPERANCE SOCIETY.—A pleasing

Besides the Condensed Beef prepared from the best parts of the animal the prepartion contains Quinine, Peruvian Bark, and nu This is the only concensed Beef that does not require cooking or warming. It was especially manufactured under the direction Baron Von Liebig, before the late Franco-Prussian war, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of sold food. It is recommended by the Faculty in preference to anything else as the Dyspepsia, Lassitude, Fever, Ague, Cholera, all Female and Children's Maladies, Sick Headache, Sea Sickness, Influenza, &c. Thoroughly Renews the System. There is only one Liquii Extract of Beef in existence.
