Our Mineral Wealth.

At the annual meeting of the St. Leon Mineral Water Company, held on Saturday, 22nd inst., amongst other pleasing features of the year's business the president in submitting his report, stated that the consumption of Water from their springs during the year exceeded two million bottles.

According to the best obtainable information this exceeds the consumption of any other mineral water on the American continent, and puts the combined sales of all the other Canadian springs completely in the shade.

After mutual congratulations on the constantly increasing sales from year to year, the following officers were re-elected for the ensuing year:  
Mr. James Good, President; Mr. J. F. Eby, Vice-President; Mr. H. Blain, Secretary; Mr. C. E. A. Langlois, General Manager.
