Sixty Years of Protection In Canada

By EDWARD PORRITT

Is a book that will brush aside all the cobwebs of confusion and point out a clear course for the uplift of the farmers of the West. Many attempts have been made from various viewpoints to advise the farmers upon the Canadian tariff, but the conflicting opinions have confused and mystified rather than made the vision more clear. Mr. Porritt has written a book that stands absolutely alone. It is the most complete and enlightening history of the Canadian tariff ever written. It will tell you straight from the shoulder in an accurate manner all about the tariff—what it is—how it works—and whom it benefits. In short, the arguments presented in this book in favor of free trade will enable you to confuse the most able protectionist in the Dominion. Send for this book and learn how the tariff increases the cost of living.

The Canadian Lawyer

"Ignorance of the law excuses no man." That's law. You can't always "guess" the law. You may not have time to "study" law. Lawyers charge high fees, especially some of them. But you must know law.

This book tells in a simple, direct and plain manner "how the farmer can keep out of law suits." It will protect you against the sharp practice of lawyers, agents or any person who might like to get you into a tight place. It will help you to do business strictly in accordance with the law, without engaging a lawyer and paying him \$5 to \$10 for every little bit of ordinary legal advice. Get this book and save your time and money. Farmers are losing many dollars every year thru being unacquainted with their legal rights and proper method of redress.
