The whole record of this Company has been one of prudent management and prosperous advancement. Among the older and leading Life Insurance Companies its average ratio of expenses to income has, through its entire history, been the lowest of any.

ITS LIBERALITY.—It accommodates the insured by giving credit for part premium, and grants insurance to meet all the contingencies and wants to which Life Insurance is applicable.

It issues policies on a single life from \$100 to \$25,000.
