DR. HALSEY'S GUM-COATED FOREST PILLS.

(A combination of ingredients of unequalled efficacy.)

These Pills are prepared from the best Canadian Balsam, combined with other Vegetable preparations of the highest Medicinal virtues. They are warranted to contain no Mercury or Mineral substance whatever. They purify the blood, and remove all impurities from the body, whether arising from change of weather, bad food, or the use of any other cause.

Dr. Halsey's Forest Pills are within all pockets. They act directly on those vital organs of the digestive system, Liver, Kidneys, &c., which regulate the health of the body and preserve you from the many diseases to which you are subject. While they purge all bilious matter from the stomach and bowels, leaving the system strong and recovering, they, at the same time, destroy the seeds of disease, and remove the patient in better health than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public generally of north and south America, and every part of the country have testified to the world in favor of their great curative powers.

Testimonials after testimonial showing their great powers of relieving almost every phase of disease have been handed to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farming family residing near Utica, New York:—

Utica, November 9, 1848.

Dr. G. W. Halsey,—Every fall, for several years past, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when a disease occurred in my family, I had always employed a Physician. But at this time having two bones of your Forest Pills in the house, I concluded to try them. I gave to each of them one Pill every four hours after! I gave to each of them one Pill every four hours after! I gave to each of them one Pill every four hours after! They soon operated, bringing away much black and green matter. One of the following day the fever left them entirely, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of disease we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1843 Dr. Halsey's Pills were first made known to the public, under the appellation of "Halsey's Sugar-Coated Pills." Their sanative qualities soon gained for them a high reputation, and the constant sale of many thousand boxes, which they coated with sugar in order to suit their weak stomachs, gave them the name by which they are now known throughout the United States.

Dr. Halsey's Pills are now more respectfully entitled to the public as Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supersedes the Sugar, both on account of its healing virtues and the purity of its quality. The discovery of this valuable article is the result of a series of experiments during three years. For this invention, of which Dr. Halsey has the sole right, he has received Letters Patent, which have been granted him by the Government of the United States of America.

The then-Coated Forest Pills present a beautiful transparent glossy appearance. The anti-bilious and virulescent qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's oft-tested Sugar-Coated Pills. The Gum-Coated Pills are never liable to injure their containers, but retain the same retaining all their virtues so as to be safe for any period of time, and are perfectly free from the dangerously acid or alkaline state of Medicine. In order to avoid all imitations and to secure the genuine, be sure to ask for Dr. Halsey's Gum-Coated Pills, and see that each box has the signature of

WM. W. HALSEY.

THE PROPHECY FULFILLED.

In the month of August, 1850, we predicted that our wonderful remedy would soon be in universal demand throughout the country.

We possessed it in ourselves, and all other knowledge of the Medicine of the day, to Dyspepsia, and Nervous Debility, and we knew that it would soon be sought for by the public, and become a popular remedy.

We advised that it would be prepared in a concentrated form, so that it would prevent the great expense of Medicine, and the Charges that are so frequently made for Medicine, and we knew that it would soon be sold, and be in universal demand.

This is now the case. Dr. Christie's Galvanic Belt and Galvanic Fluid are in universal demand throughout the country, and are performing the most astonishing cures.

This is the only remedy that has ever been discovered that will cure all Nervous Complaints, and it will relieve all Nervousness in a few minutes, and in a few days it will cure the worst cases of Nervous Debility.

This is the only remedy that will restore the Nervous Fluid to the system when it is exhausted, and it will restore the Nervous Fluid to the system when it is exhausted, and it will restore the Nervous Fluid to the system when it is exhausted, and it
