**A SUCCESSFUL BUSINESS MAN**

Every successful business man can give reasons for his prosperity. Most essential to any success is a careful and ceaseless attention to details. Every well conducted office or store in the world finds that simple and effectual filing systems are an absolute necessity. No employer will waste his own time or allow waste with his staff by using old fashioned methods. The benefits derived from the time and money-saving system which "Globe-Wernicke" devices encourage are self evident. Not a paper can go astray when the "Safeguard" method of this Company is used. And no matter how complicated your filing problem, no matter how peculiar, no matter how small or how large, the "Globe-Wernicke" can provide you with the equipment that will place every record at your finger tips. Why not investigate? Mr. Percie Johnson represents the "Globe" in Newfoundland.

**Important Notice!**

The Fraser Machine & Motor Co. for the purpose of reorganizing and enlarging their plant, lately went into voluntary liquidation; the organization is now complete, much more capital has been subscribed to meet the growing demands of the business, and this year double as many FRASER engines will be built as last year. There is no other engine so popular in Newfoundland or Canada as the FRASER, and with the new Company we can promise better service and deliveries than in the past, when many had to wait for their engines, as we could not get them from the factory fast enough. All orders now booked we can ship at a moment's notice. FRANKLIN'S AGENCIES, LTD., St. John's, Newfoundland, Agents.—Feb 28

GREY GREEN SILK

This dainty silk frock truly "brings the breath of spring time." Grey and soft green are the colors in the two-tone silk which serves for the revers, cuffs and the lower part of the skirt and on the checked silk of which the blouse and skirt yoke are made. For the little shirt white batiste and fine Val lace were used. This was closed with black buttons, the same trimming the skirt yoke. The jaunty hat was grey green straw with crown of self-tone silk. A pale pink rose nestled on the brim and two loops of black velvet stood erect on the opposite side.
