Wedding Bells Ring At Simcoe—Two Deaths In Town

(From our own Correspondent) Simcoe, Feb. 27.—The parlors of Mrs. Charles Derricks, at 48 Robinson St., were gaily decorated in pink and green, for the marriage of her daughter, Miss Eric, to Mr. Mattand Tisdale, son of the late E.L. Tisdale of Woodhouse, and himself a prosperous young farmer.

The ceremony was performed at two o'clock by Rev. H. McBeau of St. James' Methodist church, in which congregation the bride has been an active worker. It was a quiet family function. Standing under the canopy of snow white wedding bells, the bride looked charming in a gown of ivory silk crepe de chene with georgette crepe pearl trimmings and the conventional veil and orange blossoms, wearing the groom's gift, a pearl sunburst, and carrying a bouquet of bridal roses and carnations.

The bride was accompanied by her sister, Miss Gladys, prettily attired in grey duchess satin with a combination of green and grey georgette crepe trimmings, and carrying a large bouquet of opelia roses. Little Helen Booth, cousin of the bride, in a dress of rose silk, made a dainty flower girl. Sweet peas were her offering.

The groom was attended by Mr. Henry Fisher of Cobourg. After the tie that binds had been fastened, a dainty buffet luncheon was served by six girl friends of the bride. The happy young couple left for Toronto and points east, the bride wearing a travelling suit of African brown taffeta with hat to match. Returning, the young couple will hang the crane on the fire-place of the groom's farm in Woodhouse.

The bride was the recipient of many and varied useful presents. The groom's souvenirs of the occasion were, to the bridesmaid, a ring set with pearls, to the flower girl, a pearl ring, and to the groomsmen a tie pin with pearl settings.

We cannot refrain from remarking that this is the second time within a very short time, that Cupid has entered the municipal offices and led out an efficient clerk and stenographer. Of course, marriage licenses are sold there, and that may be a clue to the cause, enquiry on the part of the writer failed to find the connection, however.

Mrs. Robert J. Yocum, Almeda, a widow of Robert J. Yocum, of Kent St., died at her home yesterday in her 43rd year. Deceased was a native of Haldimand County, a woman of retiring disposition, and a faithful wife and mother. A husband and one son survive. The latter has been called up in Class I for overseas. Internment will take place at Selkirk cemetery on Friday.

Mrs. Andrew Ostrander, Jessie Maxon McLellan, widow of the late Andrew Ostrander, of 273 Taibot St. north, died yesterday aged 76. Mr. Ostrander died some months ago. Mrs. McLellan has a daughter, and has been here with her mother for some time.

ILLNESS OF W. P. INNES CRITICAL Condition of Leading Citizen of Simcoe is Believed to be Serious

(From Our Own Correspondent) Simcoe, Feb. 27.—Late last night W. P. Innes was reported to have rallied somewhat during the day. He was visited on Monday evening by Dr. Caven of Toronto and the family physician, Dr. S. A. Richardson. Neither of them extend much hope for ultimate recovery, or much change for some three or four days. Members of the family were all in town yesterday. Mrs. Innes is still confined to bed and quite unwell.

SIMCOE'S WAR WORK

Activity of St. Paul's Church—Other Centres are Busy

Simcoe, Feb. 27.—(From our own correspondent) Those interested who perused our I.O.D.E. report must not get the impression that the figures given include the entire work of the county. As a matter of fact, the entire work of the town was not included.

The Work At St. Paul's. Apart from yesterday's statement, and apart from hundreds of Christmas boxes and scores of boxes that go regularly week by week and month by month, another considerable work has been done by some of the women of St. Paul's Church. Early in the year, many of the ladies of St. Paul's Church began work in the school room of the church. Later the Methodist ladies, for whom there was not working room on Monday, began to meet on Tuesdays and this year, the Baptist ladies have chosen Wednesday St. Paul's product for a time was forwarded through the I.O.D.E., but for some time past, independently. The output from St. Paul's is therefore tabulated below: (a) Shipped through I.O.D.E. (b) Total manufacture and shipment.

Table with 2 columns: Item, Quantity. Includes Pairs Sox, Scarfs, Trench Caps, Balclava Caps, Sutti Pyjamas, Per. Prop. Bags, Stretcher Caps, Hot water Bottle cov.

The same activity is reported from many other centres. Waterford and Delhi have their stories to tell.

Port Rowan in Line. And what of the Abigail Becker I.O.D.E. at Port Rowan, which recently reports receipt of \$1328.51, a considerable portion of which has been allotted to various war causes. We might be pardoned for suggesting that their balance on hand of \$437.94 is rather large, but then Simcoe had on hand that much in material, and probably both had outstanding accounts to offset these balances.

Port Dover, too, Busy. The Britomart Chapter at Port Dover, had receipts during the year of \$1452.57 of her own and that splendid (?) voluntary contribution of \$50.00 given by the United Boards of Trades from where not up the line, \$1502.57, all of which has been turned over to various relief funds or converted into comforts for the men. So that roughly speaking, the Simcoe I.O.D.E. statement represents perhaps half of the county's effort; perhaps a little more.

We bow our thanks for the kind words of appreciation received from Simcoe readers yesterday evening regarding the report of I.O.D.E. work. The achievements of our women was deserving of notice.

LAST CARNIVAL OF THE SEASON

Blaze of Bright Costumes At the Simcoe Arena Last Night

THE PRIZE WINNERS

(From Our Own Correspondent) Simcoe, Feb. 27.—There was very full attendance of skaters and spectators, and a splendid array of costumes with an exceptional number of new ideas at the last carnival of the season. Though postponed twice on account of late spring weather in February, it was a general success. Even the band was all that could be desired.

The Judges. From the many hundreds Miss Ethel McKim, Miss Edna Johnson and Miss J. Jones assumed the task of selecting the winners of prizes, and the work was done quite satisfactorily as men would have done it.

The Winners. These were the chosen: Best lady—Mrs. J. Thompson as St. Patrick Girl. Best girl—Miss Fern Woolough. Best man—C. G. Barber as Jester. Best boy—Arthur Frost as King of Hearts.

First comic—Fred Woolley as Stout Lady with good taste. Second comic—Miss Helen Perry, Other Costumes. Very few of the characters registered last night. Those were among the cards the following: Clarence King—Remnant of the 39th.

Head Cross—Little Red Riding Hood. Jean Borland—Hockey Girl. John Caffery—Red Man. Morley Cross—Pope. Wm Waffle—Indian. Muriel Morden—Chinaman. Gladys Ramey—Japanese Girl. Cliff Abbey—Cowboy. Helen Johnson—Queen of Hearts. Grace Hampden—Gipsy. Thelma Johnson—Motor Girl. E. Tisdale—Robin Hood. Ernest Eyrwin and Mrs. Nett, as Mr. and Mrs. Has-Been. Miss Collins, Miss Hoag and Mrs. M. Hamilton, as Three Old Maids of Leam.

Helen Nell—Chinese Girl. May Nell—Red Cross Nurse. Jean Waddle—Japanese. Harry Harper—Cadet. Helen Culler—Valentine Girl. Gladys Piette—Gipsy. Nina Harper—Hockey Girl.

Many Accidents. Charles Hart, of 88 Head street north, who fell yesterday with a piece of flooring at the Dominion Cannery, is the sixth or seventh man who has met with a more or less serious accident up about the cannery plant since the contractor began to overhaul the main building. Geo. Nash of Toronto, James Stewart and Engineer John Recher are some of the others.

The work is going on apace. The tall trestle work which stands out in Robinson street will elevate the mixed concrete to such a height that it can be delivered by chutes all over the building, as required direct from the mixer. The device takes the place of a deal of barrow and hand work.

"Hans" Goes North. The afternoon express car goes north now at 3:45, instead of 4:31. High school students for Waterford have now to wait for the 5:12 car with others from the north. The change was made because of a change of timetable on the C.P.R. main line, which advances the express train by about an hour.

Old Bonds of News. Harry Reynolds has disposed of his blacksmith business and good will to Roger Cropp. E. Ramey went to Toronto yesterday to see the Kitchener-Dentals hockey match.

A Simcoe physician will go to Woodstock tomorrow to assist in an operation upon a citizen of Simcoe, his family doctor for the patient. Compare the quest with what it would be if Norfolk had a hospital here. Don't be indifferent. It surely pays a high school tax in the long run. Think it over. Talk it over with your business associates.

CANADIAN LINES VISITED BY HAIG. British Leader Found Spirit of Confidence Dominant Everywhere. Canadian army headquarters, Feb. 27.—(By W. A. Willison, Canadian Press war correspondent) The week-end was characterized by the failure of another German attempt to raid our lines, and a visit to the Canadian Corps by Sir Douglas Haig.

preparation. Innumerable miles of trenches have been dug, communicating roads have been improved, fresh and monstrous growths of wires spring up on every road and field through where the German advance will assuredly be met. Artillery and munitions are ready in quantities. The Germans have never before encountered such preparation, but an even surer and stronger defence is the unconquerable spirit of the French army. They are ready as they have always been, and better prepared than ever before.

JEW'S ENLIST. New York, Feb. 27.—Two hundred young Jews, who have enlisted here for service in a Jewish battalion, which is being recruited in England, for service in Jerusalem were sworn in at the British and Canadian mission to-day. The recruits will sail soon from an Atlantic port. They will be given a farewell dinner by Jewish societies to-morrow.

BRITISH OFFICIAL. London, February 27.—A hostile attempt during the night to raid one of our camps south of the Arras-Canal road was driven off by rifle fire. Late to-day's war office report elsewhere there was nothing of special interest to report.

WHEN RUN DOWN. Hood's Sarsaparilla, the Reliable Tonic Medication, Builds Up. The reason why you feel so tired all the time at this season is that your blood is impure and impoverished. HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS! Says glass of hot water with phosphates before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact, to feel your best day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate in an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives you a splendid appetite for breakfast.

RECRUITING PLANS. By Courier Special Wire Melbourne, Australia, Feb. 27.—(Via Reuters' Ottawa agency)—Premier Hughes has announced the government's recruiting proposals. The main points are a 33 per cent. increase in separation allowances, an individual appeal to all men of military age, and also deduction by a high court judge monthly as to the numbers necessary for reinforcements.
