With Which Germany Must Reckon

Berin, Oct. 30- Pan-German eleprobable, and are urging that ancient leave at 7.20: hates be forgotten and an understanding reached between the two nastanding reached between the two nations. England and not America, is considered the chief factor with which Germany must reckon in international and European commerce.

Writers in the newspapers discuss at length the problem of allaying what they say is an unabating anti-German feeling among the English.

The Kreuz Zeitung, the old organ of the monarchists, says in an editorial: 'If we have in mind any foreign alliance only England can be considered. I am fully aware that I will meet with the earnest opposition of day evening, and accepted by that many of my comrades when I suggest an alliance with England, which has done everything to destroy us. spite of it I hazard to recommend an alliance with England on the following grounds:

"Politics are not founded on sympathies. That is the first lesson that held important positions in Toronto. the honest German should learn from his English cousin. We should possess enough cleverness to put sympathy out of our politics and as a ably be put before Premier Hon. wise business people travel with the works Pumping Station, having re-Arthur Meighen when he visits this partner who can make the going ceived notification of my appointment

FOUND DEAD NEAR A STALLED AUTO

Employers Return to Car to Find Hired Man Dead in Ditch

Left in a stalled car on a road near Arborg, Man., late Saturday, Peter Florence, farm laborer, of Arborg, was found dead Sunday morning by John and David Elliott his employers. He was in a ditch beside the car, with bruises on the side of his head.

He had been driving with Elliott brothers when the car broke One of the brothers set out on foot to get horses, and the other brother followed, leaving Florence

When the brothers returned Sunday morning with horses to tow the car to the farm nearby, Florence was found dead. No explanation of his death has been given.

A coroner's jury was empanelled at 11 a.m. Wednesday, under Dr. S. E. Biornston, and viewed the hody. Provincial police will investigate Florence was from Balmoral, and his brother lives there.

James McAuley

After an illness of three weeks' duration Mr. James McAuley, aged seventy years, passed away Sunday night. The late Mr. McAuley came to Brandon seven years ago from County Antrim, Ireland, and has resides his wife he is survived by four Antrim and the fourth, Mrs. McCrory,

the throat, chest, and lungs cold resisting. When a nasty cold or coughing bout foretells the revival of your old branchial trouble. the best thing to do is to take Peps at once to strengthen and

the chest. When a Peps tablet is taken from its preserving silver wrapper and allowed to dissolve in the mouth, it gives off powerful medicinal and germicidal fumes that immediately circulate with the breath through all the airpassages, and destroy any germs that have got into

nostrils and throat. At the same time the sore, inflamed membran is soothed, healed, and protected phlegm is released from the bronchials, breathing is made easy, and that distressing cough and throat soreness disappear.

By this direct treatment Peps keep trouble off the

and lungs, and the worst weather can be faced without fear of evil consequences. It is the safest plan to always have a few Peps handy to arrest a cold, and prevent it reaching the lungs or starting bronchitis and chest weakness.

Harry McAuley, of Carnegie and James McAuley, 240 Rideau Street The funeral will take place Tuesday afternoon at two o'clock from the morning of Mrs. Georgina Turney, family residence, 234 Rideau Street, to Brandon Cemetery.
