Special Features Which Commend The Policy-Holders' Mutual Life Insurance Company to the Man with the Keen Business Sense

- (4) Abstainers are placed in a separate class and receive in dividends the benefit of their superior mortality.
- (5) Policy Holders and Stock Holders vote on an equal basis; the stock holder has one vote for each share of

- stock; the policy holder one vote for each thousand dollars of insurance.
- (6) Whenever a premium is due the policy holder has the privilege without notice to the company, of paying it monthly, quarterly, semi-annually, or annually, as best suits his convenience at the time.
- (7) Policy holders have the privilege of a free annual medical examination to be made by the company's medical officer.
- (8) The Company has made arrangements with a leading accident company for the issuing of a supplementary policy at a nominal figure, by which if the assured should die from an accident, the amount of his insurance would be double that of the amount of his life policy.

All these advantages are not to be obtained in any other one company. If not fully protected, let us show you a plan suited to your needs. Tremendous advance in business reported—seven months' returns to date exceed total business of any full year.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender Little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food, and sour bile gently moves out of his little bowels without gripping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, neuralgic pains, everything that is horrible and nauseating. A Cascarets to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARY BOYD, 1421 6th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

and bead tanning. The house was tastefully decorated with evergreen and potted plants. The wedding march was played by Miss Mae Stoddard. After the ceremony they partook of a sumptuous repast. The presents were numerous and costly including cut glass and silver and a substantial cheque from the groom.

The bride, who for the past few years has been residing in Winthrop, is held in high esteem by all who know her. In the evening the young people of the neighborhood gave them a lively serenade after which they were invited in and treated by the bride and groom. All departed to their homes wishing Mr. and Mrs. Brooks a long and happy wedded life.

The bride's going away dress was of navy wool poplin with hat to match. Mr. and Mrs. Brooks will reside in Foreston.

cases ended in death! So a recent Canadian investigation showed. These were not cases of infectious diseases—of consumption—of typhoid! They were cases where a person had sustained some slight injury—a cut, a burn, a wire-prick—and where the wound, being thought not serious enough for careful treatment, had been neglected. Blood-poisoning and death resulted. When you or your children sustain any injury, ensure against infection by applying Zam-Buk. This balm soothes the pain, stops bleeding, and by destroying all germs prevents blood-poisoning, etc. Hence the time need be lost from work or pleasure by those who use Zam-Buk.
